

Department of Biotechnology and Microbiology

Department of Biotechnology and Microbiology established in 2009. The Department is engaged in imparting education in the field of Biotechnology and Microbiology at Under Graduate level. The department has an excellent infrastructure and is actively involved in teaching and research. Students are encouraged to participate in scientific activities not only as a component of their prescribed studies but also as a mutual contribution for the college and society. We take pride in the fact that our students have been selected in Premier Scientific Institutes and leading Universities.

Courses offered

B.Sc. (Hons) Biotechnology

B.Sc. (Hons) Microbiology

B.Sc. Major in Biotechnology (CBCS RUSA, Old system)

B.Sc. Major in Microbiology (CBCS RUSA, Old System)

Faculty Name /photos/Specialization and Experience

Faculty Name	Designation	Qualification	Specialization and experience
 Ms Vanita Gautam	Assistant Professor	M.Sc. , M.phil	Biochemistry, Molecular biology, 7 Years of Teaching experience
 Ms Reena Thakur	Assistant Professor	M.Sc., M.phil, NET, SET	General Microbiology, Microbial Biodiversity, 5 Years of Teaching experience.
 Dr Neha Gautam	Assistant Professor	M.Sc. Ph.D, NET	Food Microbiology, Biochemistry, Molecular Biology, 7 years of Research experience , 3 Years of Teaching experience,
 Mr Bisan Dutt Verma	Lab Assistant		28 Year Experience

Departmental achievements

- Princy Luthra, student of B.Sc. (Hons) Microbiology Topped in H.P. University annual examination. She also Topped in H.P.U Entrance test for Masters Programme and got selected in Central Research Institute Kasuali.
- Mohini Sharma student of B.Sc. (Hons) Microbiology got 3rd position in H.P. University annual examination.
- Moyna Kalia student of B.Sc. (Hons) Biotechnology got 2nd Position in H.P. University annual examination. She got selected in Panjab University Chandigarh for Masters Programme.
- One student of B.Sc. (Hons) Biotechnology and one student of B.Sc. (Hons) Microbiology qualified JNU entrance exam.
- Four students of B.Sc. (Hons) Microbiology got admission in Central Research Institute Kasulli.
- Students attended training at State Forensic Laboratory Junga.

Recent Departmental Activities :

- Department of Biotechnology and Microbiology organized a guest lecture on the Topic “ Research Opportunities in Food and agriculture Microbiology
- Students of 3rd and 5th Semester of Biotechnology and Microbiology performed qualitative estimation of water samples.
