To: <bedescollege@gmail.com>

Respected ma'am

With due respect I would like to request you to refund my college fee for the course bsc. Biotechnology I had left the college on 25 of October and I have been requesting a refund ever since. It is really important for me get the money on time as I have to pay my tuition fee, moreover 33680 is a big deal of amount. I have also called the institution multiple times and I have been getting false hopes from the college. The staff had told me to check my account multiple times yet they haven't transferred the money to my account. They told me to wait till November and the money has still not been credited to my account. Therefore I beg you to kindly do as requested as soon as possible.

Thank you
