Mr. Mohit Kumar	Assistant Professor, Psychology	
Ms. Komal Sharma	Department of Political Science	
Mr. Salil Sood	Administrative Officer	
Dr. Anupama Tandon Tomar	Coordinator, Associate Professor, Economics	

The meeting began with a prayer, and the following points were discussed:

- ✓ As some members were set to retire in the middle of the 2022 session, new individuals were included in the IQAC committee to fill their positions and ensure continuity.
- ✓ Professor Ahluwalia presented the report from the external audit team and emphasized the importance of incorporating their suggestions. The criteria in-charges were assigned the responsibility of implementing these suggestions in the relevant documents. Specifically, program outcomes needed to be updated based on the recommendations.
- ✓ The qualitative metric teams were tasked with updating the documents based on the suggestions provided by the external audit team. Each department or coordinator was

- assigned specific responsibilities for different courses and programs to ensure the timely implementation of the suggested changes.
- ✓ During the meeting, the coordinator assigned specific responsibilities to the coordinators of different academic fields. Here are the responsibilities mentioned for each coordinator:
 - Humanities Coordinator: Responsible for writing program outcomes for undergraduate (UG) pass courses, undergraduate (UG) honors courses, and postgraduate (PG) courses in the humanities field.
 - Commerce and Management Coordinator: Responsible for writing program outcomes for Bachelor of Commerce (B. Com), Bachelor of Business Administration (BBA), and Master of Commerce (M. Com) programs.
 - Science Coordinator: Responsible for writing program outcomes for Bachelor of Science (B.Sc), Master of Science (M.Sc), Bachelor of Science Honors (B.Sc Hons), and Bachelor of Computer Applications (BCA) programs.
 - ✓ Professor Ahluwalia suggested that a separate policy document should be uploaded on the college website, even though the policies are already mentioned in the prospectus. Having a separate document would provide clarity and ensure easy access to the college policies. Additionally, he recommended including more policies for comprehensive information. The members acknowledged the importance of having a documented policy in place and agreed to work on finalizing it.
 - ✓ The Principal announced the organization of a Motivational Talk on "New Challenges and Personal Growth" scheduled for June 9th, 2022. Dr. Fr. Vincent Saldana, a former professor at St. Xavier College, Ahmedabad, was designated as the resource person for the talk. The meeting ended at 11.00 a.m. with thanks to the chair.

The meeting commenced with a brief prayer.

- ✓ The attendees reviewed and confirmed the minutes from the previous meeting. Prof. Sr. Molly Abraham, the college Principal, assigned the prospectus committee the task of verifying various subject combinations. The committee was responsible for uploading the admission forms and prospectus on the college website.
- ✓ It was decided that the entrance exam and viva voce would be conducted online. Heads of Departments (HoDs) were instructed to delegate their respective workloads to the timetable committee. The timetable committee would then finalize the timetables for all streams.
- ✓ The Principal, Prof. Sr. Molly Abraham, decided to establish various committees for the new academic session. Both academic and extracurricular committees would consist of one convener and one member each.
- ✓ It was decided that departments and societies should organize community outreach activities throughout the year. The objective of these activities was to foster a sense of responsibility among the students.
- ✓ The members expressed the view that alumni engagement should be strengthened, and more outreach activities should be organized in collaboration with former students. Mrs. Purnima Chauhan informed the members about the Ex-Bedeian Association's plan to organize an Alumni Meet and "Cleaning of the Himalayas Campaign" in partnership with the SAGES Club, Rotary Club, and the forest department, under the aegis of Earth Day. The meeting adjourned at 11:30 a.m. with a vote of thanks to the chair.

- ✓ The coordinator informed that the Health Club of St. Bede's College is planning to organize a large-scale vaccination drive on August 6, 2022, as part of the "Azadi ka Amrut Mahotsav" initiative. The college would collaborate with the medical team from DDU Hospital, Shimla, to conduct the vaccination camp. The drive aimed to administer booster doses to individuals in the college community and beyond.
 - ✓ The members discussed the significance of providing students with practical exposure and hands-on learning experiences outside the classroom. As a result, it was agreed that the departments should organize field trips to enhance students' understanding and practical knowledge in their respective disciplines.
 - ✓ The IQAC members decided to organize FDPs to facilitate the upgradation of knowledge, research, and pedagogical skills among the faculty.

The meeting ended at 1.30 p.m. with thanks to the chair.

Mr. Mohit Kumar	Assistant Professor, Psychology	
Ms. Komal Sharma	Department of Political Science	
Mr. Salil Sood	Administrative Officer	
Dr. Anupama Tandon Tomar	Coordinator, Associate Professor, Economics	

After a short prayer, the minutes of the previous meeting were reviewed and confirmed. The following points were discussed:

- ✓ It was decided that the Comprehensive Continuous Assessment (CCA) and practical marks for the final year students should be filled in and submitted to the office for verification by

the moderation committee. This step is crucial for ensuring accurate assessment and evaluation of the final year students' performance.

- ✓ The NAAC coordinator inquired about the progress made by each criterion in data collection for the Annual Quality Assurance Report (AQAR) for the academic year 2021-2022. Furthermore, it was decided to set a deadline for the submission of qualitative and quantitative metrics to ensure timely completion and submission of the AQAR.
- ✓ The members proposed that teachers should actively encourage students to utilize the library resources and Inflibnet, which is likely an online platform for accessing scholarly information. This suggestion aimed to enhance students' research skills and promote a culture of academic exploration.
- ✓ It was proposed that all departments and societies should conduct activities on important days. The members agreed that these special days should be celebrated with the active involvement of students. By organizing relevant activities, the college community can raise awareness and foster a sense of appreciation for significant events and causes.
- ✓ A decision was made to undertake a phased maintenance and renovation of the campus to address its evolving needs and requirements. The phased approach will allow for systematic planning, implementation, and monitoring of the maintenance and renovation activities. The campus will be thoroughly assessed to identify areas that require attention, such as infrastructure, facilities, landscaping, and safety measures. To minimize disruption to daily operations, the phased approach will involve careful scheduling of the renovation work. Furthermore, a budget will be allocated for the maintenance and renovation initiatives, taking into consideration the financial resources available to the college.

The meeting concluded at 11:30 a.m. with gratitude expressed to the chair for presiding over the session.

- (AQAR) for the academic year 2021-2022. The deadline for data submission and the requirement of a 500-word summary for the Self-Study Report (SSR) were also decided.
- ✓ The external experts suggested that the first draft of the SSR should be ready by March 2023 so that inputs can be incorporated for improvement if any required. Prof. Verma emphasized the need to chalk out a plan of action and set a deadline for data submission to ensure timely completion of the SSR.
 - ✓ The experts stressed the importance of adhering to standard operating procedures (SOPs) when collecting both quantitative and qualitative data. Professor Verma further discussed the benchmarks shared by NAAC, highlighting their significance in determining the actual score and understanding the college's position.
 - ✓ Prof. Ahluwalia was of the opinion that the college should engage in activities with institutions and enter into agreements with national and international organizations to promote academic cooperation and facilitate the sharing of learning material. This initiative aimed to foster partnerships and enhance educational opportunities for the college community.
 - ✓ Dr. Chauhan, in her perspective, also stressed the significance of collaborations to elevate the academic standing and overall growth of the college. Recognizing the potential of the alumni community, she believed that former students could play a pivotal role in fostering these collaborations.
 - ✓ The coordinator IQAC informed that English Department is planning to collaborate with Newlimits Learning, an external organization, to offer English language training to its students.

The convener of clubs/societies and ships would provide the list of winners and participants to the annual prize distribution committee. Additionally, the departments would prepare the list of toppers based on previous year results/CCA and submit it to the prize distribution committee.
- ✓ It was decided to conduct internal and external academic audits in the month of May. The dates for the audits were finalized to ensure a thorough evaluation of the college's academic processes and standards.

The meeting ended at 11.30 a.m. with thanks to the chair.

- ✓ During the meeting, the heads of the criteria were asked to reflect on their queries and the problems they are facing while working on SSR. Several issues were brought up by the members, including the development of infrastructure over the past five years, strategies to handle work-related stress and pressure, incorporating factors for outcome-based learning, methods for course planning, tracking student progression (especially for newly recruited faculty), and understanding Bloom's Taxonomy.
- ✓ The participants also engaged in a general discussion on best practices, institutional distinctiveness, and fostering an innovative ecosystem within the college. An expert emphasized the importance of developing "Service Learning," which involves applying what students learn in the classroom to real-world situations.
- ✓ To address the challenge of decreased student enthusiasm and participation in various activities, it was suggested that the Department of Psychology could serve as an interface between students and different departments.
- ✓ A brainstorming session was conducted to identify the factors responsible for the decline in enrollments, and the expert recommended that all departments devise strategies to address this issue.
- ✓ The meeting also included a discussion on whether library and infrastructure maintenance bills should be attached with proof. Fr. George provided clear instructions on this matter.
- ✓ Additionally, topics such as completing SWOC analysis, flexibility in scheduling extracurricular activities, and discussing the minutes of the Students Council's meetings were addressed.

The meeting began with a prayer, followed by a review and confirmation of the minutes of the previous meeting. The following points were discussed:

- ✓ The IQAC reviewed the AQAR 2022-23, engaging in comprehensive discussions about each point to gather suggestions. Both internal members and external experts provided input, suggesting minor revisions. It was collectively decided to proceed with finalizing the documents and converting them into PDF files for uploading onto the NAAC portal.
- ✓ Professor Yoginder Verma suggested that the documentation within the college should be aligned with Standard Operating Procedures (SOPs). This implies the importance of following standardized procedures and guidelines in maintaining proper documentation practices.
- ✓ Professor Yoginder Verma also recommended that students should be provided with an orientation regarding the Student Satisfaction Survey. This indicates the need to familiarize students with the survey process, its purpose, and the significance of their feedback in enhancing the overall student experience.
- ✓ Professor Ahluwalia emphasized the significance of certain elements in the context of NAAC. He highlighted the importance of the Principal's presentation, interactions with the governing body, and student engagement. These aspects likely play a crucial role in the accreditation process, demonstrating the college's commitment to quality education and student satisfaction.
- ✓ Professor Ahluwalia stressed the need to conduct departmental presentations. This suggests that departments should have the opportunity to showcase their achievements, initiatives, or progress, allowing for knowledge sharing and recognition of their contributions.
- ✓ Mrs. Purnima Chauhan proudly announced that the alumni association has significantly strengthened itself by successfully organizing numerous events during the 2022-2023 session. She expressed her commitment to continue this momentum under her leadership and with the unwavering support of the principal. The alumni association aims to create more impactful events and initiatives in the future, fostering a stronger bond between the school and its former students.

The meeting concluded at 11:30 a.m., with gratitude expressed to the chair for leading the session.
