## St. Bede's College Shimla

### A. SAFETY AND SECURITY

To ensure the safety of its stakeholders, including students, employees, instructors, and administrators, the college has implemented various security measures. The most significant of these measures is the deployment of well-trained security guards who are stationed on campus around the clock to prevent any potential security risks and provide a sense of security to everyone.

Monitoring the movement of students on campus is crucial for their safety, and the security guards are vigilant in keeping track of people entering and exiting the college. This helps prevent unauthorized access and maintains a secure environment. Additionally, limiting vehicular entry into the campus is an essential security measure that prevents potential threats from entering the college. This also helps avoid traffic congestion and ensures the safety of pedestrians.

Strategically positioned CCTV cameras provide uninterrupted surveillance and security throughout the campus. They detect any suspicious activity and can provide valuable evidence if needed.

The college's commitment to ensuring the safety and well-being of its stakeholders is praiseworthy. The security measures put in place create a safe and secure learning environment for everyone on campus. Overall, the college's efforts reflect its dedication to providing a positive and secure college experience.

### B. COUNSELLING

The college has taken a proactive approach in supporting students' mental health and well-being by providing counseling services and a designated counseling room on campus. This signifies the college's recognition of the significance of mental health in students' academic and personal lives.

The counselling services offered provide students with a confidential and safe space to discuss their emotions, thoughts, and feelings with a trained professional. These services can help students manage various psychological challenges, including stress, anxiety, depression, and relationship issues.

The provision of such services and a designated counseling room on campus reflects the college's commitment to supporting students' overall well-being and promoting a positive college experience. By seeking help when needed, students can enhance their resilience and strengthen their mental health, which can positively impact their academic success and personal growth.

### C. COMMON ROOM

The college has provided a spacious and well-lit common room for students to relax and unwind. This type of space is crucial as it creates a welcoming and comfortable environment where students can take a break from their academic pursuits and socialize with their peers. Furthermore, the inclusion of indoor games like carrom board and table tennis encourages physical activity and social interaction, which are both essential components of overall wellbeing.

In addition, the common room has an LED television that offers students access to news, sports, and other forms of entertainment. This can help them stay updated on current events and provide a way to relax and de-stress during their free time. Overall, providing these facilities on campus helps foster a positive campus culture that supports academic and social development. By offering students a space to unwind and engage in recreational activities, colleges can help students maintain a healthy balance between work and leisure, creating a well-rounded educational experience.

### D. COMMITTEES

The college has set up several committees, such as the Internal Complaint Committee, Anti-Ragging Committee, Discipline Committee, and Grievance Redressal Cell, to comply with the Ministry of Human Resource Development's guidelines and ensure the safety and well-being of its students.

To equip students with practical skills for employment and self-employment, the college has partnered with SkillLabs to establish a Financial Lab cum Incubation Centre. This initiative helps students acquire entrepreneurial skills, making them self-reliant and job ready.

In addition, female students receive Self-defense Training, Firefighting, and First Aid courses, and medical assistance is available on campus to promote a healthy and secure environment.
