WORKSHOP ON TRANSLATION PRACTICES

A workshop on 'Translation practices and theories' was organised at St Bede's College. Students from RKMV, Kotsheera College and University of Excellence and St Bede's College participated in the workshop. Prof Usha Bande, Prof Rana Nayyar and Meenakshi F Paul were the resourcepersons, who gave an insight into the subject of translation. The workshop ended with a practical session where students were divided into groups of 10 students each and were given lines from Premchand's 'Pareeksha' and Paash's 'Sapne' to translate. The seminar ended with a vote of thanks proposed by Anuja Sharma.

My Grand Vision

- Computational thinking will be a fundamental skill used by everyone in the world by the middle of the 21st Century.
 - Just like reading, writing, and arithmetic.
 - Incessuous: Computing and computers will enable the spread of computational thinking.
 - In research: scientists, engineers, ..., historians, artists
