## SCIENCE SEMINAR AT ST BEDE'S COLLEGE

Students attend a seminar on 'Patterns in Nature and Discoveries in Science' at St Bede's College in Shimla.

The science faculty of St Bede's College in Shimla to mark the 150th anniversary of the periodic table and to celebrate the International Year of Periodic Table-2019 held a one-day seminar on "Patterns in Nature and Discoveries in Science" on Friday. As many as 350 science students attended the event. In the first technical session, a movie based on the development of the periodic table — The Mystery of Matter: Unruly Elements — was shown to the students, followed by an on-the-spot quiz on elements of matter. In the second session, Prof PK Ahluwalia (retd) delivered a talk on the topic "From Elements to Materials: An Edifice on the Foundation of Periodic Table". Another talk on "Plant Diversity and its Conservation" was delivered by Prof MK Seth (retd).

*A Newspaper Cutting of Seminar Entitled 'Patterns in Nature and Discoveries in Science'*

**FUNCTIONAL FOODS REGULATIONS IN INDIA**

Food safety has become a big concern for consumers as well as government and regulatory bodies.

Food Safety and Standard Authority of India Act (FSSAI) 2006

Chapter IX, Article 21 of the act addresses functional food. It says every person who need to register these products such that anyone can purchase, sell, or distribute or import these products.

These products include novel foods, genetically modified crops or food, standard food, organic food and food for special dietary use, functional food, nutraceuticals and health supplements, etc.

Articles 21 and 24 address the packaging and labeling of food and nutrition of alternative regulatory body.
