### A DISCOURSE ON: WINNER'S EDGE

The Internal Quality Assurance Cell (IQAC) of St. Bede's College organized a discourse on "WINNER'S EDGE" on August 18, 2022, for the college students. Dr. Michael S. David was the resource person for the discourse.

**Objective-** The objective of the discourse was to make students aware of their hidden potential to find an ideal profession.

The discourse began with a fun exercise where students were asked to write down their birth date and the day they expected to die. This activity encouraged students to think about their lives and their goals. Dr. David then delivered a thought-provoking discourse on the "WINNER'S EDGE." Dr. David emphasized that perseverance, hard work, and a positive attitude are the keys to success.

The discourse also examined various aspects of career thinking, encouraging students to reflect on their career aspirations. Dr. David shared his personal experiences and insights about his journey to success, which helped students to relate to his message. He emphasized that it is important to identify one's strengths and weaknesses, and one should learn from his/her failures.

**Outcome:** The discourse motivated students to discover their hidden potential and they expressed their desire for more such sessions.
