CELEBRATING INDIAN SCIENCE: FROM PAST TO FUTURE

On 13th September 2018, the Physics department collaborated with the Indian Science Congress Association (ISCA) Shimla Chapter to host a one-day National Seminar titled 'Celebrating Indian Science: From Past to Future'. The Seminar was aimed at providing an opportunity for students to enjoy the wonderful world of science, satisfy their curiosity, and understand how and why certain things happen around us.

Objectives: Objectives of this event were to:

- Celebrate the block building fundamental contribution of the Indian scientists in the field of science and technology bringing to fore advancements and credible achievements since times immemorial to recorded present.
- Bring together scientists, researchers, academicians and other stakeholders to foster an immersive understanding of the diverse and enigmatic heritage of India in the field of science.
- Explore the potential of the knowledge, insights and perspectives of the contribution of the scientists in India in the past and present and tap the potential of nurturing Indian scientific temperament and the possibilities it offers to address the current world challenges.

The Seminar was attended by hundred students from various schools and colleges of Shimla along with 350 Bedecian science students who were unison in expression of their appreciation of this opportunity to exchange ideas in scientific applications.

Eminent speakers led the student diaspora by evoking keen interest and insights into the evolution of scientific temperament in India and its impact through their immersive lectures.

The students availed this rare sent opportunity to interact with the amazing experts from the science fraternity and gain a detailed perspective about different areas of science and their correlation.

The Seminar also included an exhibition featuring the departments of physics, microbiology, biotechnology, botany, and zoology. The departments showcased various experiments and medicinal plants, which helped students to learn more about the practical applications of science and its impact on society.

Outcomes: The highlights were that the participants were introduced to the historic Indian traditions, knowledge systems and innovations which were hitherto unheard of and were brought to fore for the benefit of the students through this seminar
