INTERNATIONAL SEMINAR ON TRANSFORMATION OF INDIA @ 75

On March 3rd and 4th, 2023, the Department of Economics and Commerce and Management at St. Bede's College in Shimla hosted an International Seminar on the "Transformation of India @ 75." This significant event was sponsored by the Indian Council of Social Science Research (ICSSR) as part of the Azadi Ka Amrut Mahotsav initiative.

Objective: The primary aim was to provide a platform for experts to engage in discussions about the challenges and opportunities facing India.

The inaugural session on the first day was graced by the presence of the Hon'ble Education Minister, Sh. Rohit Thakur, the chief guest of the event. He lauded the college for hosting this platform that encourages active engagement in thought-provoking conversations and constructive idea exchanges. Dr. Anupama Tandon Tomar, the seminar's convener, underscored the conference's significance in expediting sectoral development and finding resolutions to cross-sectoral issues.

The seminar featured distinguished keynote speakers, Professor Aoulad Hosen and Professor Anoop Saxena, who delivered insightful talks on role of innovation, sustainable development, and the challenges that developing nations encounter while striving for economic growth. Additionally, the seminar included panel discussions where experts like Prof. Ashok Aima, Professor Kate Nickelchok, Dr. Aparna Negi, Prof. Meenakshi F. Paul, and Prof. N.S. Bist shared their invaluable insights on the sub-themes of the seminar.

On the second day, Dr. Yash Chawla delivered a keynote speech and talked about global challenges, including climate change and poverty. Dr. Chawla highlighted the need to embrace emerging technologies like AI and discussed the transformative impact of digitalization on innovation and research. He introduced the concept of the "five Cs of innovation" and underscored the importance of nurturing deep tech talents. Real-world examples of AI-based companies were cited to illustrate the potential for innovation. Dr. Chawla also stressed the significance of identifying pertinent problems and using innovative approaches to solve them.

The technical sessions on both days included presentations and discussions on impact of technology on job opportunities, the role of education, challenges faced by small and medium-sized enterprises in India and so on.

The Valedictory Ceremony marked the culmination of this enlightening three-day seminar on India's transformation. The seminar report summarized the key takeaways and emphasized the importance of such events in shaping India's future. Awards were presented to recognize outstanding papers, and Dr. Hosen, the chief guest, reiterated the need for sustained efforts in areas such as education, health, and infrastructure. The ceremony concluded with a heartfelt vote of thanks expressed by the organizing committee to the chief guest, ICRRR, resource persons, keynote speakers, and participants for their invaluable contributions.

Outcome: The seminar allowed exchange of ideas and knowledge, leading to a better understanding of India's journey towards progress.

Seminar at Saint Bede's

TRIBUNE NEWS SERVICE

SHIMLA, MARCH 4
An international seminar on "Transformation of India at 75" was organised at Saint Bede's College here on Saturday. The Indian Council of Social Science Research (ICSSR) had sponsored it under the aegis of the Azadi Ka Amrut Mahotsav.

Education Minister Rohit Thakur, who was the chief guest on the occasion, lauded the college for hosting the seminar and exhorted the participants to actively engage in thought-provoking conversations and a constructive exchange of ideas.

Anupama Tandon Tomar, convener of the seminar, talked about the importance of the conference in accelerating sectoral development and resolving inter-sector issues.

The technical sessions saw present discussions on topics such as the impact of technology on job creation, role of education in driving transformation and the challenges faced by small and medium enterprises in India.
