IPR AWARENESS PROGRAMME

The Department of Biotechnology at St. Bede's College collaborated with The Patent Office, Kolkata under the Department for Promotion of Industry & Internal Trade (DPIIT), Ministry of Commerce & Industry, to conduct an online IPR awareness program on September 23, 2022.

Objectives-The objectives of the session were:

- To introduce the students to the basics of intellectual property rights and patent filing.
- To provide knowledge of different forms of intellectual property protection and their key differences and similarities.
- To raise awareness about filing applications for patents and other IPR.

The faculty and students from the college, and other colleges and institutions attended the webinar.

The webinar was conducted by Shri Suman Sil, an Examiner of Patents & Designs (Gr. 'A' Gazetted) who engaged the students and faculty in an informative discussion about the importance of IPR and its various forms.

Shri Suman Sil gave an overview of Intellectual Property Rights (IPR) and explained why it is important to know about them. He explained different types of IPR like patents, trademarks, copyrights, and trade secrets, clarifying how they are similar and different.

He stressed the importance of properly documenting, filing, and maintaining IPR. He also shared examples to explain how IPR can safeguard and commercialize innovations and creative works.

Furthermore, Shri Suman Sil discussed the procedures and requirements for filing patent applications and other IPR. He provided valuable insights into the legal and regulatory aspects of IPRs.

Outcome- The online IPR awareness program received a positive response from both students and faculty. They found it to be insightful and informative, giving them a clearer grasp of IPR and its relevance in various fields. The program also helped them recognize the importance of safeguarding their intellectual property and the advantages of securing patents for their inventions.
