TALK ON RESEARCH METHODOLOGY

On May 7, 2022, a talk was conducted on the topic of "Research Methodology" for students pursuing BBA and M. Com programs. Dr. Devender Sharma, a faculty member from the Commerce Department at Himachal Pradesh University (HPU), gave a talk on research methodology.

Objective: The primary objective of the talk was to make students aware of the basic concepts of research methodology, the significance of review of literature, research design, and the technical aspects of research.

During the talk, Dr. Devender Sharma explained the basic concepts of research methodology in detail. Explaining the significance of Hypothesis Testing he highlighted its practical application in the research process. He emphasized the importance of a comprehensive Review of Literature which provides the structure to research project. He also discussed the important points of effective Report Writing.

Outcome: Participants gained understanding of data analysis techniques to write their research projects.
