INDIANA UNIVERSITY OF PENNSYLVANIA

An MOU was signed on April 12, 2022 with Commonwealth of Pennsylvania, giving privilege to the students of St. Bede's to enroll in any university within the State of Pennsylvania. The purpose is to provide opportunities to college students to pursue higher education in Pennsylvania.

To operationalize this MOU, another agreement was signed on August 25, 2022 with Indiana University of Pennsylvania and St. Bede's College to provide opportunities to college students to pursue higher education in Business Administration and Clinical Psychology.

ORIENTATION MEETING FOR MBA AND CLINICAL PSYCHOLOGY PROGRAMS

Objective: The primary objective of the online meeting conducted on May 2, 2023, was to provide orientation and guidance to students interested in applying for the Masters Program in Business Administration and Masters in Clinical Psychology.

Outcomes: During the meeting, students received valuable insights into the Masters Program in Business Administration and Masters in Clinical Psychology. They were briefed on various academic aspects and requirements. A significant outcome of the meeting was the agreement with an IUP (Indiana University of Pennsylvania) International Partner to waive the WES (World Education Services) transcript evaluation requirement. Furthermore, the students at St. Bede's College enjoy the exclusive privilege of securing direct admission without the necessity of undergoing English ability or any other entrance tests. All this has simplified the application process, further enhancing accessibility to these prestigious programs.

Dear Mrs. Kaur and Mrs. Dworek,

I'd like to take this opportunity to introduce you to each other as you both want to assist current St. Bede's College students with the possibility of attending Indiana University of Pennsylvania for a graduate degree.

Mrs. Dworek is IUP's Director: Graduate Admissions and she and her team are eager to set up a meeting with you and your students to talk about IUP Master's degree programs. They are best equipped to talk with the student about the academic aspects of the programs as well as the application process. As an official IUP International Partner, we have agreed to waive the WES transcript evaluation.

Amber, it's my pleasure to introduce Guneet. St. Bede's is a ewer partner in India and I've had the pleasure of working with Dr. Sister Molly and Guneet. I believe this is the continuation of a mutually beneficial relationship and one that places the students at the forefront.
