ELIZABETHTOWN COLLEGE, PENNSYLVANIA, USA

An MOU was signed on April 12, 2022 with Commonwealth of Pennsylvania, giving privilege to the students of St. Bede's to enroll in any university within the State of Pennsylvania. The purpose is to provide opportunities to college students to pursue higher education in Pennsylvania.

To operationalize this MOU, another agreement was signed on June 21, 2022 with Elizabethtown College, Pennsylvania, USA and St. Bede's College to facilitate an academic collaboration. This MOU shall broaden the horizons of our students by providing them with an international perspective on future career options and opportunities.

INTERNATIONAL CAREER AWARENESS PROGRAM

An online meeting was held on April 13, 2023, to provide students with comprehensive information about the MBA program offered by Elizabethtown College. This aim was to facilitate informed decision-making and encourage students to consider pursuing this program.

During the meeting, Prof. John Champoli, Vice President Enrolment Management at Elizabethtown College, provided valuable insights into the credit system and the Optional Practical Training (OPT) program available to students upon completing their degree. The students at St. Bede's College enjoy the exclusive privilege of securing direct admission without the necessity of undergoing English ability or any other entrance tests. All this has simplified the application process, further enhancing accessibility to these prestigious programs.

The awareness program marked a significant step in our ongoing collaboration with Elizabethtown College. The event promoted knowledge exchange, enriched the perspectives of our students, and strengthened our academic ties with Elizabethtown College.
