businesses more competitive and contributively scalable. Also, the college aims to skill their students in entrepreneurship, preparing them to build sustainable livelihood opportunities for themselves and nurture entrepreneurial mindset. We adopt the hands-on learning module to impart such knowledge and skills to the students through workshops, simulation, video sessions and e-learning modules. This will also help our students to see the real world of entrepreneurship and become more confident, self-resilient and self-reliant while pursuing career opportunities.

In this regard, the college conducted one day workshop for potential women entrepreneurs at campus following the inauguration ceremony. The key objectives of the workshop are:

- To understand key ingredients of entrepreneurship and opportunities available.
- To get awareness about business know-hows to set up own ventures.
- To understand various assistance schemes, ensure eligibility for availing and servicing such grants and borrowings in efficient manner.
