 Ananya,

**Subject: Admission to MS (By Research) Programme in the First Semester 2023-2024**

**Congratulations!**

I am glad to inform you that you have been selected for admission/provisional admission to the MS (By Research) Programme in the Department of Cognitive Science.

The Department of Cognitive Science at IIT Kanpur is the first such department in any of the IITs. The Department houses state of the art research tools to study mind and brain. Students in the department receive training in both critically thinking about research as well as data analysis. They also get hands on training on methodologies including high density EEG, fNIRS, high sampling rate eye-trackers, VR and AR techniques, behavioural techniques, and experimental design. The breadth and diversity of faculty members in Cognitive Science allows students to design their own curriculum focusing more on topics and techniques that they fit better with their interests. The Department is also involved in collaborative research with various academic departments within and outside the Institute as well industry. Students graduating from the department are expected to possess a range of skills that would allow them to be well trained for further career in both research and industry.

The MSR program is a research oriented master's program, quite different from other M.Sc. programs in cognitive science. The MSR program comes with a financial assistantship for a period of 22 months in exchange for TA/RA duties. Hence, the students in the program can not only earn while pursuing MSR, they also get opportunities to get involved in other activities of the department. MSR program also offers a high amount of flexibility. Students in MSR program can convert their master's degree into a PhD program once they are familiar with the subject matter (see PG manual IIT Kanpur for details).

The date of commencement of the semester is **July 27, 2023**.

You are required to upload the following documents at the document submission portal during **July 15-25, 2023**. The link to the portal will be notified in due course at the official website of the Dean, Academic Affairs ([www.iitk.ac.in/daaa](http://www.iitk.ac.in/daaa)).
