ONLINE ORIENTATION PROGRAMME

On September 9th, 2020, an online orientation program was arranged for first-year students via Microsoft Teams. The program commenced with an introduction to the college, providing students with an overview of its history and ethos. Following this, students were briefed on the code of conduct expected within the college premises.

Moreover, the orientation covered essential information such as program outcomes, course outcomes, subject combinations, attendance regulations, rules regarding leaves, the Continuous Comprehensive Assessment (CCA) system, as well as details about various societies and cells active within the college community.

Students were also informed about the commencement of online classes, which would be conducted through Microsoft Teams. They were already provided with their respective login IDs and passwords to ensure a seamless transition into the online learning environment. This orientation aimed to prepare students for a successful academic journey at the college while familiarizing them with important guidelines and resources.

ORIENTATION PROGRAMME FOR STUDENTS 2021-22

The college organized an online orientation programme for the newly admitted first year students on 3rd September to give an overview of college life and familiarize them with the social environment. The event started with the welcome speech by the Principal, Prof. SrMolly Abraham, Principal who talked about importance of ethics and moral values in life and encouraged the students to imbibe a sense of commitment and responsibility for a strong character development. It was followed by a session conducted by staff advisors who briefed the students about the academic aspects of the courses, rules and regulations, various societies, clubs and cells of the college. Then the students were addressed by the NAAC coordinator who informed the students about the CBCS system, sub combinations of various subjects, GE and SEC courses, Core Courses, Compulsory Courses and about the mandatory seventy five percent attendance. The students were informed about the LMS, User IDs and passwords for online classes. They were asked to join the respective WhatsApp class groups for efficient and effective communication. Once the pandemic was over and the classes started in the offline mode, the third-year students of the college helped the first-year students to get acquainted with the college campus by dividing them into groups and giving them a college tour. The freshers' visited various labs, classrooms, common rooms, library, seminar hall, teaching blocks and the canteen of the college. The teachers' along with the third-year students made the first-year students aware about the strict anti-ragging policy of the college and also about the repercussions of the same.

2022-2023

ORIENTATION PROGRAM FOR THE PARENTS AND GUARDIANS OF THE FIRST-YEAR STUDENTS

On September 10, 2022 an orientation program for the parents and guardians of the first-year students was organized. The event was graced by the presence of Smt. Satwal Atwal Trivedi, ADGP (Additional Director General of Police), who is an esteemed alumna of the college. Smt. Trivedi highlighted the importance of maintaining strong relationships with fellow students and encouraged the students to collaborate and help one another, creating a conducive environment for growth and success.

The presence of Smt. Trivedi, an esteemed alumna and an accomplished professional in the field of law enforcement, served as a source of inspiration and pride for the college.

The orientation program not only marked the formal induction of the new Student Council but also provided an opportunity for the parents and guardians of first-year students to become acquainted with the environment and ethos of the college.

7-DAY ORIENTATION PROGRAM

The mathematics department of St. Bede's College Shimla organized a 7-day orientation program from 19th to 26th September 2022, called "real world applications on table of numbers or data". Students from BSc. (non-medical), BA, BCom, and BCA participated in the program. The main objective of the program was to teach students about basic concepts of matrices, its applications in day-to-day life, and working methods of matrices to boost their confidence. The session started with an introduction by the HOD of the Mathematics department, who explained the importance of matrices and their applications in real life by giving examples. He also highlighted the significance of matrices in other fields. After that, Aastha Raizada and Nivedita Thakur, students of B.A. and B.Sc. 3rd year (Mathematics), respectively continued with the program.
