"Beyond Economics: Celebrating Festivals with Creativity and Joy"

In addition to their regular economic activities, the Economics Department of the college organized various cultural events to celebrate festivals. For instance, to celebrate Karwa Chauth, they organized a Mehndi competition in which students showcased their mehndi designing skills. The department also put-up hand-painted Diya stalls in the college courtyard during Diwali. The students, along with the teachers, came together and showcased their painting skills and creativity, which resulted in the sale of 220 hand painted Diyas on the campus itself. These events added a touch of diversity and fun to the usual academic activities of the department and helped to promote a sense of community among the students and faculty.
