Awareness Regarding Tree Plantation

Students of the Environment Awareness Cell in collaboration with N.C.C cadets of the college took an initiative in spreading awareness regarding tree plantation on 28th July 2018. The places covered were Navbahar, IGMC Road, Forest Road and Chhotta Shimla. The students interacted with people of different age groups and made placards to spread awareness about the importance of tree plantation, effects of deforestation, ways to take care of plants and to reduce the harmful effects of deforestation.

NCC Cadets Spreading Awareness on 'The Importance of Tree Plantation' July 28, 2018

Tree Plantation Campaign

On August 3, 2018, the NSS Unit and Disaster Management Cell, of St. Bede's College, Shimla in collaboration with the Forest Department of Himachal Pradesh, Shimla organized a Tree Plantation Campaign at Five Benches, Jakhu Hills, Shimla. Around 150 NSS volunteers planted more than 140 saplings of Horse Chestnut and Oak in the area. Volunteers made a pledge to protect the environment.

Wildlife Week Celebration

On October 7, 2022, as a part of wildlife week celebrations, B.Sc. III Medical students visited two schools, namely Govt. Sr. Sec. School, Sanjauli and Govt. Sr. Sec. School, Lakkar Bazar, to conduct a PowerPoint presentation on the topic of Wildlife Conservation and its importance. The students covered various topics such as major threats to wildlife, effects of wildlife depletion, past and present wildlife of India, and the IUCN Red List.

Field Visit to Western Himalayan Temperate Arboretum, Potter's Hill

On October 20, 2022, a field trip to Potters Hill Nature Park was arranged for MSc. I and III semester students. The group of 35 students had a goal to discover the Western Himalayan flora. The students were introduced to various plants that are not typically cultivated in Himachal Pradesh, such as Ginkgo biloba, as well as plants found at higher altitudes in HP, such as Betula utilis. The students gained a lot of information about various aspects of Western Himalayan flora during the visit.

Local Field Visit to Directorate of Horticulture

The Department of Botany organized a field trip on December 22, 2022, for both PG and UG students to the Department of Horticulture in Navbahar, Shimla. The objective of the trip was to observe various species of flowering plants and to learn about their value-added products. The department's scientists delivered an informative talk on floriculture, followed by an interactive session with the students. The students then visited the nurseries and greenhouses, where they observed a vast collection of flowering and medicinal plants such as Magnolia, Vinca major, Thuja, Asparagus, Tradescantia, Daisy (Asteraceae), Strelitzia (Bird of Paradise), Geranium, Utricularia, Bitter dock, and Smilax.

Annual NSS Camp

The NSS Unit of St. Bede's College organized a Special Annual Camp from February 21 to 27, 2023. During the camp the volunteers actively participated in a campus cleaning drive, ensuring the proper disposal of waste materials. Additionally, they engaged in cleaning the college library, promoting cleanliness and organization. The volunteers also embarked on a cleanliness drive in the adopted village of Dhanan, promoting hygiene and cleanliness in the community.
