FOREIGN EXCHANGE

The foreign exchange market (Forex, FX, or currency market) is a global decentralized market for the trading of currencies. This market determines foreign exchange rates for every currency. It includes all aspects of buying, selling and exchanging currencies at current or determined prices. In terms of trading volume, it is by far the largest market in the world, followed by the credit market.

PDF Foreign Exchange...

- **Liquid Waste Management**

It is ensured by the campus maintenance committee of the college that there are no leakages in the water pipes and if required, they are repaired immediately. The liquid waste of the college is connected to the municipal sewage system.

- **Hazardous Chemicals And Radioactive Waste Management**

Disposal of Biological Waste through Autoclaving
