HIMALAYAN FOREST RESEARCH INSTITUTE

The MOU was signed on December 9, 2015, with the Himalayan Forest Research Institute (HFRI) in Shimla. The primary objective of this agreement was to foster hands-on experience for students through workshops on various themes. Additionally, it aimed to establish a Medicinal Garden at St. Bede's in consultation with HFRI scientists and collaborate on landscape designing at St. Bede's with scientists from HFRI.

The agreement focused on organizing conferences, seminars, and symposia in collaboration with HFRI. It also aimed to promote visits by scientists between the two institutions. These opportunities were intended to enhance the students' academic experience, provide exposure to different educational environments, and foster personal and professional growth.

Under this MOU, an International Conference was organized, providing a platform for knowledge exchange and research discussions.

The students had the opportunity to undergo winter and summer internship programs. These programs allowed them to gain practical experience in their field of study and further develop their skills and knowledge.

LIST OF ACTIVITIES DONE UNDER MOU

The session 2016-17 saw the organization of various activities under the terms and conditions of the MOU signed between Himalayan Forest Research Institute, Shimla (HFRI) and St. Bede's College (SBC).

Three-day International Conference

A three-day International Conference was organized by the Department of Zoology and Botany of St. Bede's College, Shimla from October 6-8, 2016, on the topic "Biodiversity: Current Scenario and Future Strategies" sponsored by the State Council for Science, Technology and Environment, Himachal Pradesh. Prof. V.P. Tiwari, Director, H.F.R.I, Shimla supported the college in organizing the conference.

Other Extension activities conducted by HFRI

The Himalayan Forest Research Institute (HFRI) conducted a training program for students of St. Bede's College on "Ecological studies on distribution patterns of food plant resources of butterflies along altitudinal gradients in different ecosystems of Western Himalayan Sub-Alpine Forests of Himachal Pradesh" from August 29 to August 31, 2016. The program made students understand the altitudinal gradients and the different ecosystems of the Western Himalayas, and the role they play in the distribution patterns of food plant resources for butterflies.

St. Bede's College Shimla

From 6th to 8th December 2016 Himalayan Forest Research Institute (HFRI) organized a three-day training program for B.Sc. students on the research project "Management of insect-pest and diseases in the nursery". The objective of the training program was to provide hands-on experience and knowledge to the students about managing insect-pest and diseases in the nursery.

During the training program, students were learnt basic concepts of insect and pest management. They were also taught about different methods of pest and disease management such as chemical control, biological control, cultural control, and physical control. Students were informed how to identify different pests and diseases affecting the plants in the nursery and were taught the appropriate control measures for each of them.

The students were taken to the HFRI nursery, made to identify pests and diseases and were told about various measures to be taken to control the diseases. They were given demonstrations on the use of pesticides and other control measures.

Summer Training for the students:

In the summer of 2016, B.Sc. students of St. Bede's College, Shimla completed a two-week training program in "Basic Course in Taxonomy" at the Himalayan Forest Research Institute (HFRI), Shimla. The program was held from June 6 to June 24, 2016, and provided the information on the principles of taxonomy.

The students were introduced to the basic principles of taxonomy, including the classification of organisms, identification of species, and the principles of nomenclature. They were also given hands-on training in the use of various tools and techniques used in taxonomy, including microscopes, dissection tools, and field identification guides.

During the training program, the students were taken on field trips to various locations in and around Shimla to observe and identify different plant and animal species. They were also given the opportunity to participate in group discussions and presentations, in which they shared their observations and findings with their fellow students.

At the end of the program, the students were evaluated on their understanding of the principles of taxonomy and their ability to apply these principles in the identification of different species. They were also given certificates of completion by the Himalayan Forest Research Institute.

Madam,

It is in reference to the summer training provided to the students of your esteemed college.

In this connection, it is informed that out of the seven candidates nominated by the college only four (03-in Zoology: 01 in Botany) attended the training on **Basic Taxonomy (Plants and Animals)**, which was organized by the institute from 6th to 24th June, 2016.

The training is over approximately one month ago and the students have now submitted the training reports of the work conducted by their group. Accordingly, please find enclosed herewith three training reports (*one already directly submitted to you*) alongwith certificates for further using the needful at your end.

The institute assures best of its input in future programmes too.

Thanking you,

Yours Sincerely,

The MOU between Himalayan Forest Research Institute, Shimla (HFRI) and St. Bede's College (SBC) for the session 2017-18 facilitated various activities in accordance with the agreed terms and conditions.

Winter Training for the students:

St. Bede's College in collaboration with Himalayan Forest Research Institute, Shimla (HFRI) organized a winter research training program for students of B.Sc. Zoology and B.Sc. Botany from January 8, 2018, to February 10, 2018. The program was designed to provide hands-on experience in research in the field of forest ecology and biodiversity.

Three students from B.Sc. Zoology and two students from B.Sc. Botany participated in the training program. The program was conducted at the HFRI campus in Shimla, which is equipped with state-of-the-art facilities for research.

During the training program, the students were made aware of field sampling, data analysis, and report writing. They were divided into two groups, one for Zoology and the other for Botany, and were given different research projects to work on. The students of Zoology conducted a study on the avian diversity of the Shimla region, while the students of Botany worked on a project related to the medicinal plants of the region. They were told about plant identification, bird counting, and ecological sampling. They also learned how to use different scientific equipment and software to analyze the data they collected during their research.

businesses more competitive and contributively scalable. Also, the college aims to skill their students in entrepreneurship, preparing them to build sustainable livelihood opportunities for themselves and nurture entrepreneurial mindset. We adopt the hands-on learning module to impart such knowledge and skills to the students through workshops, simulation, video sessions and e-learning modules. This will also help our students to see the real world of entrepreneurship and become more confident, self-resilient and self-reliant while pursuing career opportunities.

In this regard, the college conducted one day workshop for potential women entrepreneurs at campus following the inauguration ceremony. The key objectives of the workshop are:

- To understand key ingredients of entrepreneurship and opportunities available.
- To get awareness about business know-hows to set up own ventures.
- To understand various assistance schemes, ensure eligibility for availing and servicing such grants and borrowings in efficient manner.

HARRISBURG UNIVERSITY OF SCIENCE AND TECHNOLOGY, USA

An MOU was signed on April 12, 2022 with Commonwealth of Pennsylvania, giving privilege to the students of St. Bede's to enroll in any university within the State of Pennsylvania. The purpose is to provide opportunities to college students to pursue higher education in Pennsylvania.

To operationalize this MOU, another agreement was signed on April 29, 2022, between St. Bede's College and Harrisburg University of Science and Technology, USA. This specific MOU focuses on providing opportunities to college students to pursue higher education in the fields of science, technology, engineering, and mathematics (STEM).

"ENHANCING ACADEMIC AND CAREER OPPORTUNITIES: COLLABORATION BETWEEN ST. BEDE'S COLLEGE AND HARRISBURG UNIVERSITY"

Online Sessions - October 3rd:

- Prof. Robert Furey, Associate Provost of International Relations and Field Studies from Harrisburg University of Science and Technology, Pennsylvania, conducted a series of online sessions.
- These sessions were aimed at discussing the Memorandum of Understanding (MOU) between St. Bede's College and Harrisburg University.
- Faculty and students from both institutions actively participated in these sessions.
- Prof. Furey's presentations covered topics related to web-based designing technologies, PHP programming, and multimedia courses.
- These courses were proposed to be offered, either as diplomas or certificates, to students from St. Bede's College.

Meetings - February and September:

- On February 15th, a virtual meeting was held with Dr. Patterkine to explore options in the field of biotechnology.
- Faculty members, students, and parents were present during this meeting to discuss potential academic opportunities.
- On February 18th, another meeting, led by Prof. Robert Furey, was organized.
- This meeting focused on elaborating course descriptions for subjects such as marketing foundations, marketing strategy, marketing analytics, performance optimization, and social media marketing.
- Prof. Furey provided details about course credits and options for St. Bede's College students.
- On September 16th, a discussion took place on marketing and advertising, with insights from Steven Infanti, Director of Graduate Admissions and Vice President of Marketing.

MoU Signing - April 29th, 2022:

- The MoU between St. Bede's College, Shimla, and Harrisburg University of Science and Technology, Pennsylvania, USA, was officially signed on April 29th, 2022.
- This significant event marked the formalization of the collaboration between the two institutions, paving the way for a range of academic opportunities and exchanges.

Career Opportunities and Visit - November 9th, 2022:

- Mr. Furey, Associate Provost of International Relations and Field Studies from Harrisburg University visited St. Bede's College on November 9th, 2022.
- The visit had several key objectives:
 1. Presentation on Career Options: To provide St. Bede's College students with insights into various career options and opportunities available in the field of science and technology.
 2. Interaction with Faculty: To facilitate an exchange of ideas and expertise between Mr. Furey and esteemed faculty members at St. Bede's College.
 3. Student Engagement: To engage students in meaningful discussions about their academic and career aspirations and to inspire and motivate them for their future endeavours.
 4. Parental Involvement: To involve parents in the educational journey of their children and to provide them with a better understanding of potential career pathways in the realm of science and technology.

The students at St. Bede's College enjoy the exclusive privilege of securing direct admission without the necessity of undergoing English ability or any other entrance tests. All this has simplified the application process, further enhancing accessibility to these prestigious programs.

Admission in M.S. Biotechnology:

As a result of the collaboration between St. Bede's College and Harrisburg University, two students have been granted admission to pursue an M.S. in Biotechnology, with a focus on Medical Biotechnology Concentration at Harrisburg University of Science and Technology, USA.

This ongoing collaboration promises to enrich the academic and career prospects of St. Bede's College students, offering them valuable insights, opportunities, and advanced courses in various fields of study.

Dear Era,

Congratulations! Harrisburg University of Science and Technology has reviewed your application for admission to the Graduate Program and it is our pleasure to offer you admission for entry in Fall 2023 which will begin on August 26, 2023. You have been granted admission for completion of the M.S. Biotechnology, Medical Biotechnology Concentration.

It is with utmost pleasure and great pride that I'm writing this letter of recommendation for Ms. Jasmine Chauhan for admission into MS. Biotechnology from Harrisburg University of Science and Technology, Pennsylvania, USA. I have known her for three years both professionally and personally. During the three-year course she has participated in Quiz Competition on World Animal Day and secured third position. She has been an active member of the department by participating in an inter-college Poster Making competition on Wildlife Week and secured third position. She was a part of National Cadet Corps organization for two years. Being a part of NCC organization she had participated in various activities like cultural programs (dance), poster making, Clean India and Fit India campaign, essay writing competition etc. She had attended a CATC camp, took part in squad drill competition and cleared BEE certificate exam with A grade. She has shown keen interest in Wildlife photography competition. During her visits to several research laboratories, Jasmine demonstrated great tenacity and sincerity in her studying. She also has a careful approach to research work. It is also admirable how well she performs under pressure and meets strict deadlines. She is capable of multifaceted jobs and the creation and innovation of existing ideas. She has a laser-like focus on the subject, is a gifted artist, and loves to work for the environment through her projects and original ideas. Every time she is given an assignment to submit, in my memory, she comes up with creative ideas.

She also enjoys including everyone and demonstrates outstanding leadership abilities. She can contribute to numerous channels at once and takes her research in her field very seriously. Her extracurricular talents in role-playing and creating posters are highly commended. She excels in sports as well, so her accomplishments are not limited to the classroom. She has participated in the college's numerous events, such as the Science Day display, World Food Day, and the Health and Fitness workshop, with sincerity and obedience. She embodies the core qualities of a team player and has consistently collaborated with her co-workers to accomplish the goal. She is a meticulous and capable of managing delicate circumstances.

She has a creative mind and a love of technology. She also exhibits a strong sense of leadership. By assisting her fellow students, she has demonstrated her abilities as a strong leader. She is a dependable, diligent, and committed student at our college, in my opinion. I therefore heartily urge her to apply to your prestigious university, which would aid her in expanding her knowledge and pursuing her goals. Jasmine has a strong commitment to the idea of education. She takes her responsibilities for any work given to her very seriously. The inclusion of Jasmine would be priceless for your university. I'm available if you need further information. HEALTH AND FITNESS WORKSHOP

Collaborating Agency: Community

No. of Participants: 175

Organizing Unit: Department of Zoology

On September 23, 2022, the Departmental Club of Zoology, "Zoo Quest," organized a workshop on health and fitness with the following events: a presentation on health and fitness, a talk on the importance of vitamin D by Dr. R.K. Patial, a street play on health and fitness, and aerobic exercise session.

Objective: The workshop aimed to explain the importance of maintaining physical and mental fitness for a healthy lifestyle.

The students in their presentation highlighted the importance of a balanced food regimen, macro- and micronutrients, and an energetic lifestyle. They emphasised that fitness encompasses physical, mental, and social nicely-being, and mentioned the need for physical activity, rest, a balanced diet, and happiness. The presentation also emphasised the significance of important nutrients including water, fat, proteins, nutrients, and minerals for maintaining good health.

Dr. R.K. Patial, a retired Professor and Head of Medicine at IGMC Shimla, stressed on the importance of vitamin D in the human body. He explained that it is an important contributor to health, survival, defense, and reproduction. The discussion concluded with an interactive Q&A session.

A street play titled "Babu Rao Ki Kahani" addressed the topic of health and fitness. It emphasised the importance of a balanced diet, regular workout, practicing yoga, and eating fruits and green vegetables for good health.

Following the Nukkad Natak, Mr. Sharik, a licensed aerobics trainer, conducted an aerobics and flexibility session. He discussed the importance of aerobic workout for physical fitness. Students and people living in the vicinity actively participated in a 30-minute aerobics exercise.

The whole health and fitness workshop was recorded, and a video of the workshop has been uploaded on YouTube for wider dissemination of the expertise and experiences shared.

Outcome: The workshop made the students aware of nutrients and vitamins and their importance in fighting various diseases. They were also made aware about the importance of having a balanced diet to maintain a healthy lifestyle.

EdCIL (INDIA) LIMITED

Memorandum of understanding was signed between St. Bede's College, Shimla, and EdCIL (India) Limited, A CPSE under MOE on January 1, 2023.

STUDY IN INDIA PROGRAM

The Ministry of Education (MoE) in the Government of India, has started the Study in India (SII) program, to offer high-quality education to international students. For this they have collaborated with top Indian universities.

Objectives: The faculty convener attended a regional workshop which was organised for its newly affiliated partner institutions in Kochi on September 2, 2022. The workshop aimed to familiarize these institutions with the Study in India Program and its various components. This included explaining the process for submitting course details, introducing the SII Tracks scholarship disbursement software, and outlining the plans for the upcoming academic year 2023-24.

The workshop was attended by Mr. Ashish Kumar, the convener of the program. During the workshop, Mr. Sandeep Goel, the Chief Financial Officer & Head of Operations and Education Services (OES), emphasized the significant role played by EdCIL (India) Limited in the Study in India program. EdCIL is a distinguished Central Public Sector Enterprise (CPSE) under the Ministry of Education, specializing in education management and consultancy services both in India and abroad. Mr. Goel discussed the various stages of the SII process in detail, which included the Application Process, Counselling Process, and Student Onboarding Process. The workshop also addressed the role of fee waivers in international student admissions and provided marketing suggestions for Higher Education Institutions (HEIs) to enhance the student experience and support.

Outcome: The regional workshop accomplished its goals by providing the faculty convener with the essential knowledge and comprehension of the Study in India Program. Consequently, for the academic session of 2023-24, there were 13 student applications, with 11 of them being male students. However, since the institution is exclusively for girls, their admissions were regrettably declined. Among the two female applicants, one expressed interest in pursuing the psychology honors course.

Shimla-01

I take it as the most opportune moment to express profound gratitude to the March assemblage of students who partook the glory of this academic conference and shared their valued suggestions.

It's a honour for the Himachal State Museum, Shimla to host the biggest Seminar on History, Art, Archaeology and Culture of Himalayan Region and cater to all the delegated & dignitaries who despite their myriad pre-engagements, made it to the seminar of such gigantic proportion. The overwhelming participation of more than 30 representative of all over India and abroad, students from Department of History, St. Bede's College Shimla-01 is in itself a great achievement & success. It also speaks volume about the zeal & enthusiasm of the participants to learn, share & disseminate learning.

On behalf of the Curator, Dr. Hari Chauhan, I would like to express my deep gratitude to you, The amiable company of such an erudite like you all has lent to this event and has inspired the gathering of scholars to excel in their chosen domains. Your sage advice & valued opinions have certainly broadened the horizon of understandings of the all representative assembly & participants in reciprocally. I once again thank you all for blessings us with your presence on this abiding occasion. I am indeed thankful to all the honoured representatives for being with us and contributing efficiently to make this event a grand success. Your creative ideas & suggestions are worth pondering over and have widened the scope of the topic under review.

FACULTY DEVELOPMENT PROGRAMME ON "MOVING TOWARDS ACCREDITATION- 4TH CYCLE."

On May 10, 2023, the IQAC of St Bede's College in Shimla organized a one-day Faculty Development Programme centered on the theme of "Moving Towards Accreditation- 4th Cycle." The event was held at Dina Hall, with Dr. Anupama Tomar, Head of the Department of Economics, delivering the welcome address. The program's resource person was Prof. (Fr.) George Thandathil, Principal of Salesian College in Darjeeling.

Prof. Thandathil is a distinguished scholar and academician with a doctorate from the School of Religion and Philosophy at the University of Madras. He has studied the Sri Narayan Guru Movement in Kerala and has been a NAAC assessor since 2012. In recognition of his contributions to the field, he was awarded the Silver Medal by the International Association of Facilitators in 2019.

The morning session began with reflective meditation aimed at helping the participants connect with their inner selves. Prof. Thandathil, an expert in philosophy and education, emphasized the importance of learning together to achieve institutional goals, which would ultimately benefit the upcoming college accreditation. He focused on Outcome-Based Teaching Learning (OBTL) and stressed the need for providing quality education to students to enhance their capabilities.

Prof. Thandathil advised that institutions must assess their strengths, weaknesses, and opportunities through an informed review process to prepare for future challenges. To deal with adverse situations and hurdles, he recommended practicing pranayama.

The session was divided into two activities. The first activity was a self-assessment and review in which the staff was divided into seven groups. Each group showcased their creativity with pictorial presentations highlighting their achievements, failures, fears, hurdles, and positive approach towards institutional goals. The second activity focused on the criteria for self-assessment for the upcoming NAAC. Each criterion highlighted their progress and future plans along with their challenges.

Prof. Thandathil emphasized the importance of meeting deadlines and balancing time management, discipline, and hard work. The program was intellectually stimulating and enriching for the participating faculty. The session concluded at 1:45 pm, followed by lunch.

During the Evening Session of this FDP, the faculty members were divided into three broad department-wise groups – the School of Sciences, the School of Social Sciences and Humanities, and the Commerce, Management, and Economics Departments. They assessed themselves based on qualitative and quantitative parameters, which involved the self-satisfaction of doing meaningful work purposefully and tracing student progression, teaching modules, best practices, etc.

Each group had a brainstorming session, and their ideas were put down in charts, following which they made school-wise presentations. The mutual points discussed across departments included the introduction of MoUs with coaching institutions or introducing coaching classes for competitive exams, better social media outreach with handles managed by the students for the students, the need for common research/instrumental resources for students and faculty, department-wise newsletters/magazines, more ICT enabled classrooms and labs, more industrial/field trips, more hands-on training through skill-based workshops, certificate courses, and internships, more inter-college fests, cultural exchange programs and community outreach, better placement scenarios, and the need for better student-teacher engagements.

Overall, the programme was a success, and the faculty members found it refreshing and eye-opening. They expressed a renewed zeal to work towards achieving their goals. The faculty members acknowledged that there was a sense of satisfaction in their work, and they were excited about the energy that vibrated within the faculty groups. The closing session ended with a meditation session of 10 minutes.

Memorandum of understanding was signed between St. Bede's College, Shimla, and Newlimits Learning and the Esteemed LSI Portsmouth on November 28, 2022.

ONLINE SELF STUDY COURSE ON SENSATION

St Bede's College, Shimla collaborated with Newlimits Learning to offer English language training from the number one ranked English Language Training Institute in the UK, LSI Portsmouth.

On November 28, Mr. Gagan Aggarwal, India Associate, NPTC Group of Colleges, and Mr. James Llewellyn, Head of International Operations, NPTC Group of Colleges, interacted with our first year and final year students. They talked about the various courses offered by LSI Portsmouth to suit their abilities, needs and ambitions. Consequently, 69 students at St. Bede's College enrolled in the online English language course, with LSI and its Online English Training Provider Partner, Sensations. This comprehensive one-year course commenced on December 5th, 2022, and will conclude on December 4th, 2023.

This initiative promises to empower the students at St. Bede's College with comprehensive English language training, enabling them to consolidate their existing skills and further develop their linguistic proficiency.

This course is an ongoing effort, and it will continue to provide support and opportunities for students to improve their English language skills.

ELIZABETHTOWN COLLEGE, PENNSYLVANIA, USA

An MOU was signed on April 12, 2022 with Commonwealth of Pennsylvania, giving privilege to the students of St. Bede's to enroll in any university within the State of Pennsylvania. The purpose is to provide opportunities to college students to pursue higher education in Pennsylvania.

To operationalize this MOU, another agreement was signed on June 21, 2022 with Elizabethtown College, Pennsylvania, USA and St. Bede's College to facilitate an academic collaboration. This MOU shall broaden the horizons of our students by providing them with an international perspective on future career options and opportunities.

INTERNATIONAL CAREER AWARENESS PROGRAM

An online meeting was held on April 13, 2023, to provide students with comprehensive information about the MBA program offered by Elizabethtown College. This aim was to facilitate informed decision-making and encourage students to consider pursuing this program.

During the meeting, Prof. John Champoli, Vice President Enrolment Management at Elizabethtown College, provided valuable insights into the credit system and the Optional Practical Training (OPT) program available to students upon completing their degree. The students at St. Bede's College enjoy the exclusive privilege of securing direct admission without the necessity of undergoing English ability or any other entrance tests. All this has simplified the application process, further enhancing accessibility to these prestigious programs.

The awareness program marked a significant step in our ongoing collaboration with Elizabethtown College. The event promoted knowledge exchange, enriched the perspectives of our students, and strengthened our academic ties with Elizabethtown College.

An MOU was signed on April 12, 2022 with Commonwealth of Pennsylvania, giving privilege to the students of St. Bede's to enroll in any university within the State of Pennsylvania. The purpose is to provide opportunities to college students to pursue higher education in Pennsylvania.

To operationalize this MOU, another agreement was signed on August 25, 2022 with Indiana University of Pennsylvania and St. Bede's College to provide opportunities to college students to pursue higher education in Business Administration and Clinical Psychology.

ORIENTATION MEETING FOR MBA AND CLINICAL PSYCHOLOGY PROGRAMS

Objective: The primary objective of the online meeting conducted on May 2, 2023, was to provide orientation and guidance to students interested in applying for the Masters Program in Business Administration and Masters in Clinical Psychology.

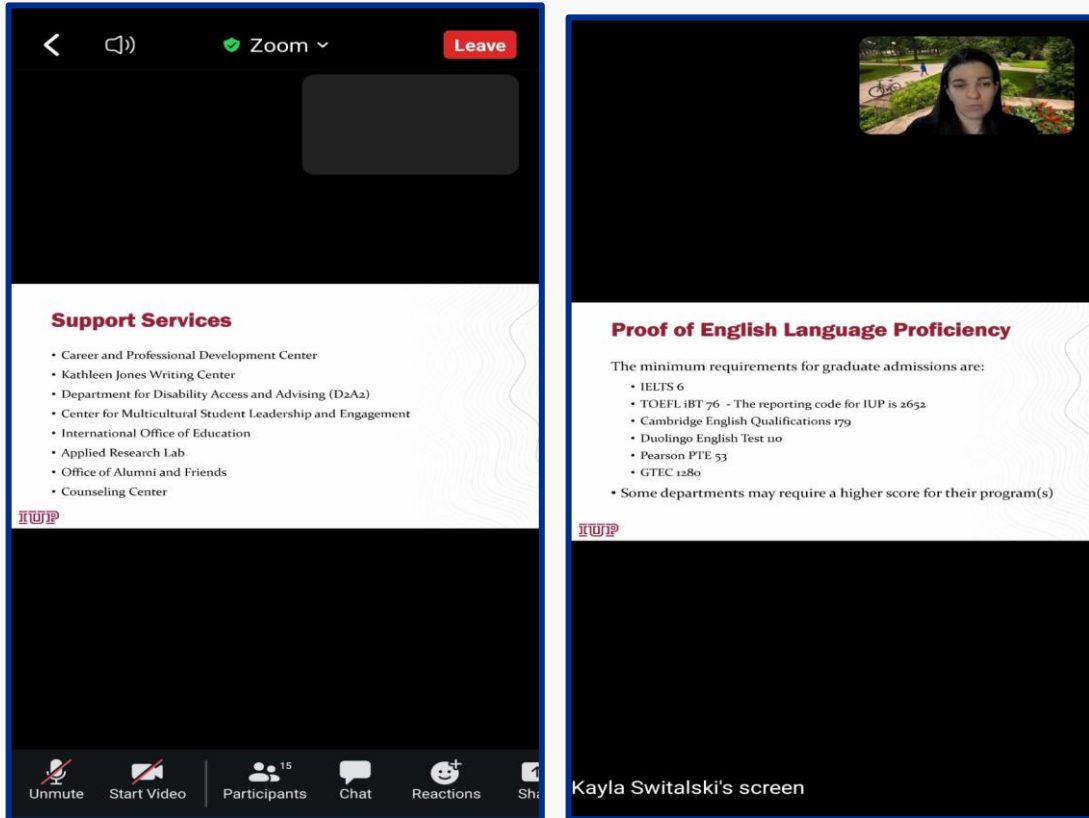

Outcomes: During the meeting, students received valuable insights into the Masters Program in Business Administration and Masters in Clinical Psychology. They were briefed on various academic aspects and requirements. A significant outcome of the meeting was the agreement with an IUP (Indiana University of Pennsylvania) International Partner to waive the WES (World Education Services) transcript evaluation requirement. Furthermore, the students at St. Bede's College enjoy the exclusive privilege of securing direct admission without the necessity of undergoing English ability or any other entrance tests. All this has simplified the application process, further enhancing accessibility to these prestigious programs.

Dear Mrs. Kaur and Mrs. Dworek,

I'd like to take this opportunity to introduce you to each other as you both want to assist current St. Bede's College students with the possibility of attending Indiana University of Pennsylvania for a graduate degree.

Mrs. Dworek is IUP's Director: Graduate Admissions and she and her team are eager to set up a meeting with you and your students to talk about IUP Master's degree programs. They are best equipped to talk with the student about the academic aspects of the programs as well as the application process. As an official IUP International Partner, we have agreed to waive the WES transcript evaluation.

Amber, it's my pleasure to introduce Guneet. St. Bede's is a ewer partner in India and I've had the pleasure of working with Dr. Sister Molly and Guneet. I believe this is the continuation of a mutually beneficial relationship and one that places the students at the forefront.
