TRAINING PROGRAM ON TALLY

On September 24, 2018, St. Bede's College organized a training program on the topic of "Tally ERP 9 Software" for the non-teaching staff members.

Objective- The objective of this training program was to equip the non-teaching staff with the skills to effectively use Tally ERP 9 to increase the overall efficiency of administrative processes.

The resource person for this informative session was Miss. Poonam Thakur, an expert from Sai Digitech Institute Pvt. Ltd., located in Lakkar Bazar, Shimla.

The training program commenced at 10:00 AM and saw active participation from the non-teaching staff members of the college. Miss. Poonam Thakur conducted a comprehensive overview of the Tally ERP 9 software, explaining its features, and its various modules. Some of the key areas covered during the training included:

1. **Installation and Configuration:** The session began with an explanation of how to install and configure Tally ERP 9 on various systems.
2. **Data Entry and Management:** Participants were guided through the process of data entry and management within the software.
3. **Generating Reports:** Tally ERP 9's reporting capabilities were showcased, demonstrating how it can be used to generate financial reports, statements, and other essential documents.
4. **GST (Goods and Services Tax):** Given the significance of GST in modern taxation, a dedicated portion of the training program focused on understanding how Tally ERP 9 can be used for GST compliance and reporting.

The session concluded with a fruitful discussion in which participants had the opportunity to address common issues they had encountered while using the software.

FACULTY DEVELOPMENT PROGRAMME ON “EDUCATION TRENDS VISION-2030”

From March 4, 2019, to March 8, 2019, a Faculty Development Programme on "Education Trends Vision-2030" was organized by the Internal Quality Assurance Cell (IQAC) in collaboration with the Economics Department at St. Bede's College, Shimla.

Objectives: The Faculty Development Programme aimed to familiarize the faculty with innovations in curriculum and pedagogy to promote communication skills, critical thinking, and creativity.

Day 1 - Topic: "Vision 2030 and Globalized Education" Speaker: Dr. Ravi Bhushan (IQAC Coordinator)

Summary: The inaugural day of the program featured Dr. Ravi Bhushan, IQAC Coordinator, who spoke on the alignment of Vision 2030 with educational policies. He highlighted that it is important to have a clear vision and road map for a sound education system.

Day 2 - Topic: "Emerging Trends in Higher Education" Speaker: Dr. Ravi Bhushan (IQAC Coordinator)

On the second day, Dr. Ravi Bhushan discussed emerging trends in higher education and provided information on current trends in higher education.

Days 3 and 4 - Topic: "Innovations in Pedagogy and Curriculum Design" Speaker: Prof. Ahluwalia (External Expert, IQAC, and Retired Professor, Department of Physics, Himachal Pradesh University)
On third and fourth day of the program, Prof. Ahluwalia's lecture focused on innovations in pedagogy and curriculum design. He gave insights into innovative approaches to teaching and curriculum development.

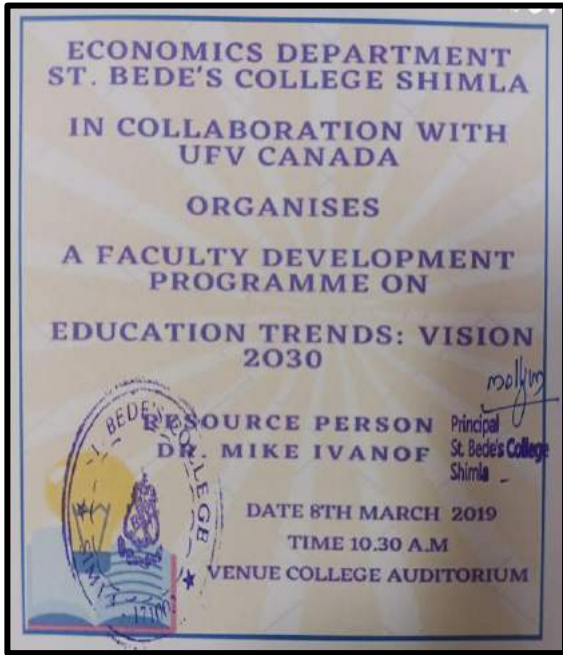

Final Day - Topic: "Inter-Country Perspective on Education Trends" Speaker: Mr. Mike Ivanof (Fraser Valley University, Canada)

On the final day Mr. Mike Ivanof, provided an inter-country perspective on education trends. He emphasized the necessity of enhancing communication skills, critical thinking, creativity, and innovation in students. He discussed the role of the 5Cs – competition, co-petition, co-operation, collaboration, and co-ordination in education. His presentation concluded with the powerful message that words have the potential to change the world.

Outcomes: The seminar provided insights about the changing trends in educational landscape in line with the globalized world envisioned in Vision 2030.

CAMPUS WHIZZ WORKSHOP

From June 19th to June 21st, 2019, a workshop on Campus Whizz was organized for the faculty members. The workshop spanned over three days, concluding on June 21st, 2019. The training was conducted department-wise, allowing the faculty to gain valuable insights into the new uses of their internet facilities.

Objective: The primary objective of the workshop was to familiarize the teachers with E-catalogue (OPAC) and the INFLIBNET (Information Library Network). The focus of the training was to introduce the teachers to Campus Whizz, which incorporates tools that are designed to enhance the accessibility and functionality of the college's internet facilities.

The session commenced under the aegis of experienced teachers who in turn guided the teachers with hands on demonstration, interactive discussions, and practical exercises to expose them to features and functionalities of Campus Whizz.

Outcomes: Faculty members enlarged their scope and vision in imparting education through in-depth research of scholarly articles in the digital library resources through E-Catalogue (OPAC) and INFLIBNET.

Professional development found new vistas of teaching methodologies and innovation in curriculum development through interactive discussions and practical exercise undertaken amongst the large congregation of attendees.

WORKSHOP ON “NEW LAYOUT OF COLLEGE WEBSITE”

On October 21, 2019, the computer department organized a workshop for teaching and non-teaching staff members to introduce the new layout of the college website. The resource person for the workshop was Mr. Sanjiv Rana and his team from Sai Dignitech Institute, Shimla.

Objectives: The aim of the workshop was to invite suggestions for improving the layout of the new website and to make them aware of the changes and latest updates.

The resource person provided a detailed explanation of the working of the new website, ensuring that the staff had a clear understanding of the various features and functionalities. Through this workshop, the staff members were given hands on training and some of them were asked to navigate it.

Outcomes: The staff gave valuable suggestions and feedback to make the most of the new website for their academic and administrative needs

DISASTER PREPAREDNESS AND TRAINING SESSION

A comprehensive Disaster Preparedness and Training Program was organized by the Disaster Management Cell of the college in collaboration with the Home Guard & Civil Defence, Central Training Institute, Sargeen, from December 7 to December 12, 2019. This program aimed to prepare both teaching and non-teaching faculty members to respond effectively during disasters, particularly in Himachal Pradesh, which is prone to various natural calamities, including earthquakes. The program also emphasized the creation of a proficient disaster relief team and the development of efficient evacuation plans. Furthermore, active involvement of students in organizing and participating in a mock drill on the final day enhanced overall preparedness.

Day 1: Introduction to Disaster Preparedness

On the first day, Company Commander Priyabrat Sharma provided participants with an overview of disaster preparedness. This session addressed the importance of being prepared for various emergencies and understanding the foundational principles of disaster management.

Day 2 delved into specific strategies for responding to disasters. Company Commander Priyabrat Sharma discussed the appropriate actions to take in various crisis situations, emphasizing the need for a coordinated response and quick decision-making.

The initial two days laid a strong foundation, ensuring that all participants understood the significance of disaster preparedness and gained insights into effective response strategies.

Day 3: Focused Search and Rescue Techniques Led by Senior Platoon Commander Nishant Chauhan. He explained the practical skills related to search and rescue operations. Participants learned how to conduct searches, locate victims, and safely extract them from hazardous situations.

Day 4: Senior Platoon Commander Nishant Chauhan continued the training on Day 4 by instructing participants on providing first aid in disaster scenarios. This session included guidance on administering immediate medical care to the injured.

These two days emphasized hands-on skills essential for disaster management. Participants gained valuable insights into search and rescue techniques and learned how to provide critical first aid during emergencies.

Day 5: The final day of the program involved students and was led by Platoon Commander Sunil Negi, Platoon Hawaldar Dev Anand, and Hawaldar Training Sansar. It featured a comprehensive mock drill, allowing participants to put their knowledge and skills into practice.

Day 5 provided a practical and interactive experience for all involved. The mock drill tested the efficiency of the disaster relief team, the effectiveness of evacuation plans, and the coordination of efforts during a simulated disaster scenario.

Outcomes: This Disaster Preparedness and Training Program yielded significant outcomes:

1. Enhanced knowledge and skills among both teaching and non-teaching faculty members for effective disaster management.
2. Formation of a proficient disaster relief team capable of responding swiftly and efficiently during emergencies.
3. Development of comprehensive evacuation plans, ensuring the safety of all stakeholders.
4. Active participation of students in organizing and participating in the mock drill, enhancing overall preparedness.
5. Increased readiness to respond proactively to potential emergencies, particularly in disaster-prone Himachal Pradesh.

This program not only equipped faculty members but also actively engaged students in disaster preparedness efforts, making St. Bede's College, Shimla, a safer and more resilient educational institution in the face of disasters.

DISASTER PREPAREDNESS AND MOCK DRILL

On 12th December 2019, as an integral component of the faculty development program on disaster preparedness, a comprehensive mock drill was meticulously organized for the entire college community on the culminating day of the program. The mock drill served as a hands-on learning experience, enabling participants to simulate real-life emergency scenarios and practice the established protocols and procedures, thus reinforcing our institution's commitment to safety and disaster resilience.

Objectives

- The main objectives were:
- To raise awareness about disaster management among students.
- To equip the students with basic skills and knowledge required to handle different types of emergencies.
- To create teams that can work together effectively during a disaster.
- To conduct a mock drill to practice safety measures and evacuation protocols.

The Disaster Preparedness & Training session was conducted by experienced trainers from the Home Guard & Civil Defence, Central Training Institution, Sargin. The trainers divided the students into specialized teams, including first aid, search and rescue, evacuation, and fire safety teams. The specialized training in each team helped the students develop their skills and abilities to handle specific aspects of disaster management.

The training session covered first aid, identifying hazards, search and rescue techniques, and evacuation protocols. The first aid team learned how to provide immediate medical assistance to injured people during an emergency. The search and rescue teams were trained to identify hazards, locate and rescue trapped individuals. The evacuation team learned how to safely evacuate people from a building during an emergency. Lastly, the fire safety team learnt how to detect, prevent, and contain fires.

The Disaster Preparedness & Training session culminated in a mock drill that simulated a disaster situation. The specialized teams were tasked to work together to evacuate the building and aid injured people.

Outcomes

- The students became aware of disaster management techniques.
- The creation of specialized teams ensured that the students could work together effectively during a disaster.

FACULTY DEVELOPMENT PROGRAM ON ONLINE TEACHING TOOLS

The Department of Computer Science at St. Bede's College, Shimla organized a two-day Faculty Development Program on Online Teaching Tools on August 4-5, 2020.

Objective: The webinar aimed to equip faculty with online teaching tools as virtual teaching was the need of the hour due to covid pandemic.

The resource person for the program was Dr. Nikhil Kumar Rajput, Assistant Professor at the Department of Computer Science at Ramanujan College in New Delhi. He began by emphasizing the significance of the virtual world in the current situation and how online teaching has become a necessity. He explained about various online tools such as Google classrooms, G-suite, open broadcast software for creating videos, and uploading videos on YouTube channels. He demonstrated the methods to create and manage Google classrooms and G-suite applications like Google docs, sheets, and slides, which can be used for collaborative teaching and learning. He explained the features of MS Teams and demonstrated how it can be used for effective online teaching. The faculty members were given hands-on training on how to create and manage a virtual classroom using MS Teams. He also explained how to schedule and conduct online meetings, share files and documents, and create online assignments and quizzes. The faculty members found the session on MS Teams to be particularly useful, as it provided them with a new tool to engage with their students and conduct online classes effectively.

Outcome: The program helped in building the confidence of the faculty members in using online teaching tools.

SEMINAR ON ERP AND INCOME TAX FOR NON-TEACHING STAFF

For the professional growth of its non-teaching staff the IQAC organised an engaging seminar on "ERP (Enterprise Resource Planning) and Income Tax" on 21st September 2020. This session was hosted on the Google Meet platform, providing easy access to all participants. The distinguished speaker for this seminar was Father Joseph Xavier, the former Principal of Loyola College.

Objectives: The objective of this seminar was to make participants aware of:

1. Enterprise Resource Planning (ERP): To provide a comprehensive understanding of ERP systems, their significance in modern organizations, and their practical applications.
2. Income Tax: To impart valuable information about income tax regulations, the importance of tax compliance.

Father Joseph Xavier's session on ERP was both informative and practical. He elucidated the concept of ERP systems, shedding light on their role in integrating various business processes, streamlining operations, and enhancing overall efficiency. He also presented real-world case studies to exemplify the tangible benefits of ERP implementation.

The session on Income Tax was equally enlightening. Father Joseph Xavier shared valuable insights into the income tax landscape, explaining the different tax brackets, deductions, and exemptions. He emphasized the importance of timely and accurate tax filing, especially for individuals with varying sources of income.

The seminar was followed by a Q&A session, during which participants sought clarifications.

Outcomes: The participants understood the ERP systems and their potential to transform administrative processes, a clearer understanding of income tax regulations, the importance of tax compliance and the benefits of timely and accurate tax filing.

WORKSHOP ON “RESEARCH METHODOLOGY AND DATA ANALYSIS USING JAMOVI SOFTWARE”

The Department of Commerce & Management at St. Bede's College, Shimla, organized an online one-week workshop on "Research Methodology and Data Analysis Using JAMOVI Software" starting from October 25, 2021, in collaboration with the Internal Quality Assurance Cell (IQAC).

Objective: The workshop aimed to raise awareness about research methodology and data analysis using Jamovi software. It also aimed to provide participants with an understanding of research methodology and data analysis, with a focus on using JAMOVI software. The workshop was structured into five modules, delivered by experienced and knowledgeable faculty members.

On day one of the workshop, Professor Devender Sharma delivered a session on research methodology from a conceptual framework perspective. He talked about the meaning of research methodology, review of literature, and research design, providing the participants with an overview of the fundamental concepts of research methodology.

On day two, Dr. Devender Sharma provided a technical perspective on research methodology. He explained the procedure for research analysis, sources of data collection, and how to prepare research reports.

Day three of the workshop was focused on the concept of measurement and scales. Dr. Madhukar Dalvi discussed the basics of inferential and descriptive statistics and the types of scales, like Likert, ordinal, etc., used in research. This session was helpful for participants as it provided them with an understanding of how to measure and analyse data in research.

On day four, the participants were introduced to the Jamovi software, which is a user-friendly software for statistical analysis. Dr. Madhukar Dalvi taught the participants how to use the software in the research process and how to make hypotheses in research. This session was highly practical and provided participants with hands-on experience of using the software.

Finally, on day five of the workshop, various types of parametric and non-parametric tests and their uses in research were discussed.

Outcome: The participants gained a deeper understanding of research methodology, including the conceptual framework, review of literature, research design, and technical perspective.

ONLINE ONE WEEK FACULTY DEVELOPMENT PROGRAM (FDP) DESIGN & DEVELOPMENT OF MOOCS

St. Bede's College, Shimla under the aegis of IQAC organized a Faculty Development Program on Design and Development of MOOCs from 1st to 7th January 2022. In this FDP Dr. Tejinder Pal Singh, an Associate Professor at the University Business School of Panjab University, Chandigarh explained various steps to design and develop a MOOC.

Objectives: The primary objectives were to:

- Introduce the participants to the concept of MOOCs, their evolution, and their impact on the education system.
- Equip the participants with the necessary skills and knowledge to design and develop MOOCs.
- Guide the participants through the planning and implementation of MOOCs.
- Help the participants in evaluating the effectiveness of MOOCs.
- Provide a platform for the participants to collaborate with peers and experts in the field of MOOCs.

He started the first day session with Introduction to Massive Open Online Courses MOOCs which give open access via Web to Anyone, Anywhere and Anytime. He focused on the fact that we need to switch to the 'Blended Learning System' where both MOOC's and Traditional Education run together and prepare our youngsters according to the current market demands. Dr. Singh also talked about the LMS- Learning Management System which can help the college to start their own e-courses.

The second day session was on "*Course plan and Instructional Design for MOOCs*". He explained that once the topic has been selected then a course plan should be prepared according to the following points.

- Course outcome and Learning objectives at higher level BLOOM'S TAXONOMY
- Modules
- Activities
- Assessment

FIVE DAY FDP ON “REVAMPING EMOTIONAL AND PROFESSIONAL PARADIGMS FOR AN INCLUSIVE APPROACH TO HOLISTIC EDUCATION”

The Department of Commerce & Management collaborated with Chitkara University under the aegis of IQAC, St. Bede's College, Shimla to organize an online Faculty Development Program (FDP) on "Revamping Emotional and Professional Paradigms for an Inclusive Approach to Holistic Education" from March 3, 2022, to March 7, 2022.

Objectives: The main objectives of the Faculty Development Program (FDP) were to introduce an educational approach that combines humanistic education's idealistic concepts with spiritual philosophical ideas. Moreover, the FDP aimed to highlight how changing one's personal paradigm could lead to significant personal and professional growth, resulting in the creation of new opportunities.

The first day of the program focused on Holistic Intelligence, which covered IQ (Intelligence Quotient), EQ (Emotional Quotient), SQ (Spiritual Quotient), and PQ (Physical Quotient). The second day of the FDP was dedicated to Leadership & Teamwork, including Lateral Thinking which highlighted the importance of good leadership in providing a clear vision for the team. On day three, the focus shifted to Image Management, specifically the "Clothes Power" aspect, which broadly consists of appearance, behaviour, communication, and digital presence. The concept of ABCDE of image was introduced, emphasizing that clothes have the power to change attitude and increase confidence.

Day four of the program covered Training Skills, which refer to employer-provided programs that develop employee proficiencies and equip them with the knowledge and attributes necessary to perform their duties optimally. Role-playing and hackathons were cited as examples of effective training methods.

The final day of the FDP was dedicated to Atomic Habits, a comprehensive guide on creating good habits, breaking bad ones, and achieving 1% progress every day.

Outcomes: The participants gained a deeper understanding of Holistic Intelligence, encompassing IQ, EQ, SQ, and PQ. They learned about image management, covering appearance, behaviour, communication, digital presence, and clothing choices, enhancing their confidence and attitude. Lastly, the program provided practical guidance on improving habits and behaviour for personal and professional growth, emphasizing continuous self-improvement.

NON-TEACHING STAFF DEVELOPMENT PROGRAM

The IQAC of St. Bede's College organized a development program on May 28, 2022, for its non-teaching staff. The program aimed to enhance the personal and professional skills of the participants. The resource person for the program was Mrs. Jyoti Rana, who is the Additional Director at HIPA.

Objectives:

- To provide the non-teaching staff with an opportunity to develop their personal and professional skills.
- To enhance their knowledge and understanding of stress management, time management, life skills, happiness quotient, ethics, and values.
- To enable the staff to cope with the demands of their job and personal life.

Mrs. Jyoti Rana, the resource person, shared her expertise and experience in stress management, time management, life skills, happiness quotient, ethics, and values. She engaged the participants in interactive sessions, group activities, and case studies.

Outcomes: The non-teaching staff members gained insights into stress management, time management, life skills, happiness quotient, ethics, and values. They learned techniques to manage their workload and time more effectively. They also developed their interpersonal and communication skills. The program helped the staff members to enhance their job performance and personal well-being.

AWARENESS TALK ON “MAKING A DIFFERENCE AS A TEACHER”

An awareness talk titled "Making a Difference as a Teacher" was organized by the Department of Commerce and Management at St. Bede's College in the college auditorium on August 18, 2022, under the auspices of IQAC.

Objective-The talk aimed to enlighten the faculty members about the importance of various pedagogical methods that can engage students in their studies.

The resource person was Dr. Michael S. David who shared his expertise on the subject. He emphasized the significance of going beyond the traditional classroom teaching and imparting knowledge through personal experiences and successful teaching methods. Dr. David emphasised that it is important to have one to one connection with students and teachers should treat them as friends to bring positive changes in their lives.

He encouraged the faculty members to adopt innovative teaching strategies and modify them according to different situations and challenges. Dr. David emphasised that an interactive classroom environment helps the students explore their creativity and promotes collaboration.

Outcome- The awareness talk was informative and motivated the faculty members to reflect on innovative methods to engage their students.

FACULTY DEVELOPMENT PROGRAMME ON "MOVING TOWARDS ACCREDITATION- 4TH CYCLE."

On May 10, 2023, the IQAC of St Bede's College in Shimla organized a one-day Faculty Development Programme centered on the theme of "Moving Towards Accreditation- 4th Cycle." The event was held at Dina Hall, with Dr. Anupama Tomar, Head of the Department of Economics, delivering the welcome address. The program's resource person was Prof. (Fr.) George Thandathil, Principal of Salesian College in Darjeeling.

Prof. Thandathil is a distinguished scholar and academician with a doctorate from the School of Religion and Philosophy at the University of Madras. He has studied the Sri Narayan Guru Movement in Kerala and has been a NAAC assessor since 2012. In recognition of his contributions to the field, he was awarded the Silver Medal by the International Association of Facilitators in 2019.

The morning session began with reflective meditation aimed at helping the participants connect with their inner selves. Prof. Thandathil, an expert in philosophy and education, emphasized the importance of learning together to achieve institutional goals, which would ultimately benefit the upcoming college accreditation. He focused on Outcome-Based Teaching Learning (OBTL) and stressed the need for providing quality education to students to enhance their capabilities.

Prof. Thandathil advised that institutions must assess their strengths, weaknesses, and opportunities through an informed review process to prepare for future challenges. To deal with adverse situations and hurdles, he recommended practicing pranayama.

The session was divided into two activities. The first activity was a self-assessment and review in which the staff was divided into seven groups. Each group showcased their creativity with pictorial presentations highlighting their achievements, failures, fears, hurdles, and positive approach towards institutional goals. The second activity focused on the criteria for self-assessment for the upcoming NAAC. Each criterion highlighted their progress and future plans along with their challenges.

Prof. Thandathil emphasized the importance of meeting deadlines and balancing time management, discipline, and hard work. The program was intellectually stimulating and enriching for the participating faculty. The session concluded at 1:45 pm, followed by lunch.

During the Evening Session of this FDP, the faculty members were divided into three broad department-wise groups – the School of Sciences, the School of Social Sciences and Humanities, and the Commerce, Management, and Economics Departments. They assessed themselves based on qualitative and quantitative parameters, which involved the self-satisfaction of doing meaningful work purposefully and tracing student progression, teaching modules, best practices, etc.

Report of the FDP

St. Bede's College
Shimla-171002
(UGC-NAAC "A+" Grade Re-Accredited)
College with Potential for Excellence
Phone: 0177-2842304, Fax:- 0177-2842498
www.stbedescollege.in, **E-mail-** bedescollege@gmail.com

Each group had a brainstorming session, and their ideas were put down in charts, following which they made school-wise presentations. The mutual points discussed across departments included the introduction of MoUs with coaching institutions or introducing coaching classes for competitive exams, better social media outreach with handles managed by the students for the students, the need for common research/instrumental resources for students and faculty, department-wise newsletters/magazines, more ICT enabled classrooms and labs, more industrial/field trips, more hands-on training through skill-based workshops, certificate courses, and internships, more inter-college fests, cultural exchange programs and community outreach, better placement scenarios, and the need for better student-teacher engagements.

Overall, the programme was a success, and the faculty members found it refreshing and eye-opening. They expressed a renewed zeal to work towards achieving their goals. The faculty members acknowledged that there was a sense of satisfaction in their work, and they were excited about the energy that vibrated within the faculty groups. The closing session ended with a meditation session of 10 minutes.

DEVELOPMENT PROGRAM ON 'WORK ETHICS' FOR THE NON-TEACHING STAFF

On May 11th, 2023, the Internal Quality Assurance Cell (IQAC) organized a development program on "Work Ethics" for the Non-teaching Staff at Bede's College. The program was conducted by Prof. Fr. George Thadathil, who served as the resource person for the day.

Objective- Self-awareness and growth

The program commenced with a warm introduction of Father George, setting a positive and welcoming tone. To create a peaceful ambiance, the session began with a meditation exercise that had a profound impact on all the participants, promoting a sense of calm and focus. Following the meditation, everyone had the opportunity to introduce themselves to Father George, creating a conducive environment for open communication.

To encourage teamwork and collaboration, the non-teaching staff was divided into three teams, with six members in each team. Each team was assigned the task of discussing and documenting their perspectives on past experiences working with the management at Bede's, as well as their current work dynamics. The teams were also encouraged to suggest steps for improving the overall working environment. A representative from each team presented and explained the contents written on the chart paper, facilitating further discussion among team members.

To enhance group dynamics and address department-specific concerns, the participants were then divided into two teams based on their respective departments. One team consisted of office and library staff, while the other team comprised lab assistants. Each team was tasked with identifying three positive aspects that contribute to Bede's being a great place to work, as well as three areas where improvements could be made in the future. The points generated by each team were shared and discussed among the team members, fostering a sense of shared responsibility and collective problem-solving.

The program concluded with a period of silent reflection, allowing participants to internalize the learnings and experiences from the day. This reflection period encouraged self-awareness and personal growth. Following this, lunch was provided for all participants, providing an opportunity for informal networking, and fostering camaraderie among the non-teaching staff.

Outcome- The program provided a platform for self-reflection, teamwork, and the identification of areas for improvement.

ONE DAY FACULTY DEVELOPMENT PROGRAMME ON “MOVING TOWARDS ACCREDITATION-4TH CYCLE”

ANNUAL REPORT

ONE-DAY FACULTY DEVELOPMENT PROGRAMME ON “MOVING TOWARDS ACCREDITATION-4TH CYCLE”

On May 10, 2023

The IQAC of St Bede's College in Shimla organized a one-day Faculty Development Programme centered on the theme of “Moving Towards Accreditation- 4th Cycle.” The event was held at Dina Hall, with Dr. Anupama Tandon Tomar, NAAC coordinator and Head of the Department of Economics, delivering the welcome address. The program's resource person was Prof. (Fr.) George Thandathil, Principal of Salesian College in Darjeeling.

The program's resource person Prof. (Fr.) George Thandathil conducted several activities on the preparation for the Self Study Report, and the NAAC visit. After attending the

Faculty Development Programme, the faculty of St. Bede's College were inspired to put together an action plan aimed at moving towards the fourth cycle of accreditation. Prof. (Fr.) George Thandathil, instilled in the faculty members the importance of quality education and the need for institutions to identify their strengths, weaknesses, and opportunities to prepare for future challenges.
