3. The college environment, particularly the facilities provided for students, was rated as excellent by parents.
4. Majority of parents were very satisfied with the college's integration of modern technologies in education.
5. Parents regarded the quality of teaching at the college as exceptional.
6. Significant improvements in their children's soft skills, knowledge, ethics, and morality were noted by parents during their time at the college.
7. Parents expressed strong satisfaction with the college's student counseling and guidance services.
8. The college was commended by parents for providing an excellent environment that fosters their children's overall development.
9. Teachers were viewed by most parents as accessible and approachable when addressing concerns or discussing their children's progress.
10. Parents were highly satisfied with the sports facilities and the encouragement for students to participate in extracurricular activities.

## **ACTION TAKEN REPORT: PARENT FEEDBACK ANALYSIS**

### **1. Admission Process**

**Feedback:** Parents found the admission process to be efficient and well-organized, leaving them pleased with the overall experience.

**Action Taken:**

- The college has retained its streamlined and transparent admission process. Feedback continues to be gathered to identify areas for further refinement.
- Additional support staff has been trained to assist with admissions during peak periods to ensure that the process remains efficient.

### **2. Administrative Staff Support**

**Feedback:** The cooperation and support of the administrative staff received high praise from parents.

**Action Taken:**

- Administrative staff training programs have been enhanced to maintain high levels of professionalism and support for parents and students.

### **3. College Environment and Facilities**

**Feedback:** Parents rated the college environment and facilities as excellent.

**Action Taken:**

- Continued maintenance and upgrades to campus facilities have been prioritized to ensure that the college environment remains conducive to student learning and development.
- Plans to expand canteen, and recreational spaces have been set in motion to further improve the campus experience.

### **4. Integration of Modern Technologies**

**Feedback:** Many parents were very satisfied with the college's integration of modern technologies in education.

**Action Taken:**

- The college has invested in upgrading classroom technologies, including smart boards, e-learning platforms, and online resources.
- Faculty training on the latest educational technologies has been increased to ensure that teachers can effectively integrate these tools into their teaching methods.

### **5. Quality of Teaching**

**Feedback:** Parents regarded the quality of teaching at the college as exceptional.

**Action Taken:**

- Continued focus on well qualified faculty having research experience has been prioritized to maintain high teaching standards.
- Regular faculty evaluations and student feedback mechanisms are being employed to monitor and sustain the quality of teaching.

### **6. Improvement in Soft Skills, Knowledge, Ethics, and Morality**

**Feedback:** Parents noted significant improvements in their children's soft skills, knowledge, ethics, and morality during their time at the college.

**Action Taken:**

- The curriculum has been further enhanced with value-based learning programs, leadership training, and lectures on ethics and morality.

## **7. Counselling and Guidance Services**

**Feedback:** Parents expressed strong satisfaction with the college's student counseling and guidance services.

**Action Taken:**

- Counselling services have been expanded with counselors and resources to address the growing demand.
- Regular mental health awareness programs, career counseling sessions, and personal development workshops have been organized to further support students' well-being.

## **8. Overall Development of Students**

**Feedback:** The college was commended for providing an excellent environment that fosters their children's overall development.

**Action Taken:**

- Holistic development programs, including personality development, emotional intelligence training, and extracurricular opportunities, have been strengthened.
- Additional focus has been placed on fostering leadership and teamwork through group projects and collaborative activities.

## **9. Teacher Accessibility**

**Feedback:** Teachers were viewed by most parents as accessible and approachable when addressing concerns or discussing their children's progress.

**Action Taken:**

- Parent-teacher communication channels have been further improved with regular parent-teacher meetings, feedback sessions, and open-door policies.
- An online portal has been established to facilitate ongoing communication between parents and teachers, ensuring that concerns are addressed promptly.

## **10. Sports and Extracurricular Activities**

**Feedback:** Parents were highly satisfied with the sports facilities and the encouragement for students to participate in extracurricular activities.

**Action Taken:**

- Investments have been made in upgrading sports facilities, including the addition of new equipment.
- Extracurricular offerings have been expanded to include a wider range of activities, ensuring that all students can participate and excel outside the classroom.
