**Agenda:** Student Awareness Program

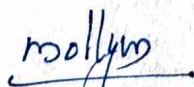

**Date:** 12/10/2022

A meeting was organised in the Psychology Department to conduct student awareness program on the Financial Lab cum Incubation Centre. It was decided that such a program would be beneficial for students to understand the opportunities available for entrepreneurship and financial management. After considering various factors, including academic schedules and availability of resources, October 15, 2022, was chosen as the date to conduct the student awareness program. Dr. Himesh Sharma, CEO of SkillLabs, was proposed and unanimously agreed upon as the resource person for the program.
