Agenda : Planning and Scheduling of Events for the World Heritage Week

The meeting of the Heritage Club was convened to discuss the organisation of World Heritage Week. Keeping in view that the college would be commencing mid-term examinations during the same period, it was unanimously decided to limit the number of activities. The members agreed that only a few selected activities would be organised so as not to disturb the academic schedule. These activities would be meaningful, student-friendly, and aligned with the objectives of World Heritage Week. Emphasis was laid on ensuring quality participation rather than quantity, with minimal time commitment for students. The meeting concluded with a consensus on conducting the approved activities smoothly alongside the examination schedule.
