Minutes of the Meeting of the Research Development Cell (RDC) Members

Date: June 18, 2025

Time: 11:00 A.M

Venue: Staff Room

A meeting of the Research Development Cell (RDC) was held on June 18, 2025, at 11:00 A.M to plan and coordinate research-related initiatives for the upcoming academic session. The purpose of the meeting was to strengthen the institution's research environment and outline strategies for enhancing faculty and student research output.

The committee began by reviewing ongoing research activities across various departments. Members discussed pending tasks, and areas where additional support or resources may be required.

The RDC proposed several initiatives to encourage a more active research culture, including:

- Conducting a *Workshop on Research Methodology and Statistical Tools* in July 2025.
- Encouraging faculty to submit proposals to funding bodies such as ICSSR, DST, UGC, and international grant agencies.
- Initiating collaboration with partnering institutions for joint research and publication opportunities.

The committee emphasized greater student involvement in research.

The meeting concluded with all members expressing their commitment to fostering a stronger research culture within the institution. The RDC emphasized the importance of collaboration, timely communication, and proactive participation from every department to achieve research excellence.
