

Event Name: Placement Drive With Arvind Fashions

Date: September 10, 2025

Venue: Seminar Room

Objectives:

- To facilitate job opportunities for final-year students by connecting them with reputable organizations.
- To familiarize students with the corporate recruitment process, including interviews, group discussions, and aptitude tests.
- To build strong industry-academia relationships that support student career development.
- To enhance students' employability skills through exposure to real-world hiring standards and expectations.
- To provide a platform for students to explore career options across various industries and sectors.

Description: On September 10, 2025, the Placement and Career Guidance Cell organized a campus recruitment drive in collaboration with ARVIND FASHIONS. The session was led by Mr. Bharat Rishi VP Retail Operations, Ms. Simerdeep Kaur, Head Retail Excellence and Kashish Achnani Area Manager Punjab.

Mr. Bharat Rishi began the session with a brief introduction to the company, highlighting its presence across multiple cities through various startups. During the talk, both speakers provided detailed insights into the available job roles along with a comprehensive explanation of the salary structure and breakup. The session proved to be informative and valuable for students preparing to enter the professional world.

Outcomes:-

- One of our students was successfully selected by the visiting company, showcasing the talent and potential nurtured at our institution.
- The placement drive provided valuable real-world exposure to all participating students, helping them understand industry expectations and selection processes.
- It boosted the confidence and preparedness of students by giving them a chance to engage in actual recruitment scenarios, including aptitude tests, interviews, and group discussions.
- The event also strengthened the college's relationship with industry partners, potentially opening doors for future collaborations and recruitment opportunities.
- It served as a motivating experience for non-selected students, encouraging them to improve their skills and prepare more effectively for upcoming placement drives.

Event Name: A Career Counselling Session

Date: September 20, 2025

Venue: Auditorium

Objectives:

- To assist students in identifying and understanding their personal interests, values, personality traits, and strengths to inform and support meaningful career decision-making.
- To guide students in setting and achieving realistic short-term and long-term academic and career goals aligned with their aspirations and capabilities.
- To provide comprehensive support in career readiness, including resume development, interview preparation, networking strategies, and building a strong professional brand.

Description: The Placement and Career Guidance Cell, in collaboration with Creative Tutorial Education and Charitable Society and under the aegis of IQAC, organized a Career Counselling Session on September 20, 2025. The primary objective of the session was to provide guidance to students in selecting the right career path based on their interests, skills, and aspirations.

The event commenced with an introductory address by Mr. Nipul Diltia, who provided a brief overview of their organization and its mission. He also introduced the resource persons who would be leading the session.

Following the introduction, Mr. Ashwani Tomar, Head of Department (HOD), Humanities and Applied Sciences (HAS) at the organization, took the stage. He delivered an informative and engaging talk, highlighting a wide range of career options available to students from various academic backgrounds. His session aimed to broaden the students' perspectives and help them make informed career choices.

The counselling session proved to be insightful and beneficial for all attendees, offering valuable guidance and motivation as they navigate their career journeys.

Outcomes:

- Enhanced student self-awareness regarding their interests, strengths, values, and career preferences.

Event Name: From College to Collector – Your Journey to UPSC & HPAS Starts Here

Date: September 29, 2025

Venue: Auditorium

Objectives:

- To help students explore and understand their individual interests, values, personality traits, and strengths in order to make informed and meaningful career decisions.
- To support students in setting and achieving realistic short-term and long-term academic and career goals those align with their aspirations and potential.
- To equip students with comprehensive career readiness skills, including resume writing, interview preparation, effective networking, and the development of a strong professional identity.

Description: Under the guidance of Principal Sr. Rosily T.L and Placement Cell Convenor Dr. Raman Bassi, the Placement and Career Guidance Cell of St. Bede's College, Shimla, under the aegis of IQAC, successfully organized a highly impactful career counselling session titled "From College to Collector – Your Journey to UPSC & HPAS Starts Here", in collaboration with MAAN's Chandigarh IAS Academy.

The event was aimed at enlightening students about the vast opportunities, preparation strategies, and structured pathways to enter India's premier civil services, namely UPSC and HPAS.

The event was graced by a panel of distinguished and accomplished resource persons Dr. R.S. Mann, Mr. Anoop Garg, Mr. Alok Ranjan and Mr. Pavneet Singh who shared their valuable expertise and experiences with the attendees. The speakers emphasized the importance of early planning, consistency, and a clear understanding of the syllabus and examination pattern. Students received guidance on time management, choosing optional subjects, and making informed career choices.

Outcomes:

- Increased self-awareness among students about their interests, strengths, values, and career preferences.
- Broadened understanding of various career opportunities, emerging industry trends, and options for higher education.

Event: *Be Kind to Your Mind*

Date: October 31, 2025

Venue: Government School, Chalunthi

Objectives

- To provide students with clarity about various academic and career options available after schooling.
- To help students understand the skills and qualifications required for different professions.
- To motivate students to set realistic goals and plan their educational journey effectively.
- To promote mental well-being by encouraging students to develop confidence and a positive mindset.
- To support the adopted school through meaningful outreach aimed at student development.

Description: On October 31, 2025, **Dr. Raman Bassi**, Placement Convenor, and **Dr. Vishal Chauhan** from St. Bede's College visited **Government School, Chalunthi**, an institution adopted by the college. The initiative, conducted under the theme "**Be Kind to Your Mind**," aimed to offer meaningful career guidance and counselling to the students. The session focused on empowering young learners with essential knowledge about various career opportunities, helping them identify their strengths, and motivating them to work towards a successful future.

The resource persons interacted closely with the students, addressed their queries, and guided them on the academic and skill-based requirements for different career paths. The session emphasized the importance of self-awareness, goal-setting, and mental well-being in shaping one's academic and professional journey.

Outcomes

- Students gained awareness of diverse career opportunities and the pathways to pursue them.
- Participants developed a better understanding of their interests, strengths, and future aspirations.
- The session boosted students' motivation, confidence, and readiness to plan for their future careers.
- The interactive discussion enhanced students' awareness of the importance of mental well-being in academic success.
- Strengthened collaboration between St. Bede's College and its adopted school through impactful community engagement.

Event: Session on “Resume Building Techniques”

Date: Nov. 22, 2025

Venue: Auditorium

Objectives

- To familiarise students with the fundamental structure and key elements of a professional resume.
- To guide students in crafting clear, concise, and industry-appropriate resumes.
- To help participants understand how to customize resumes according to job descriptions and employer expectations.
- To enhance students' confidence and preparedness for internship and job applications.

Description: On November 22, 2025 under the guidance of Principal Sister Rosily T. L. and the Convener of the Placement and Career Guidance Cell, Dr. Raman Bassi, St. Bede's College, Shimla organised a session on “Resume Building Techniques” for the students. The session was designed to equip students with the knowledge and skills required to create professional, polished, and industry-ready resumes.

The resource person for the session, **Mr. Bhanu Pratap Singh**, an International Corporate Trainer and Education Consultant, shared valuable insights on the essential components of an effective resume. He highlighted the importance of proper layout, formatting, content structuring, and customization tailored to specific job roles. His practical tips and real-world examples made the session highly engaging and beneficial for the participants.

The session received positive feedback from students, who found it insightful and highly relevant to their career development. The Placement and Career Guidance Cell expressed gratitude to Mr. Bhanu Pratap Singh for his valuable contribution and to the college administration for their continuous support in organising such enriching initiatives.

Outcomes

- Students gained a deeper understanding of effective resume writing techniques.
- Participants learned how to improve layout, formatting, and content organization for better clarity and impact.
- The session improved students' ability to tailor their resumes to specific career opportunities.
- Overall, the interactive nature of the session enhanced students' employability skills and readiness for the recruitment process.

Placement & Career Guidance Cell

St. Bede's College, Shimla

Event Name: Online Internship Interview for Airways Media

Date: December 11, 2025

Venue: Seminar Room

Objectives:

- To apply theoretical knowledge acquired during academic studies to real-world business practices.
- To gain practical exposure to the working environment of an Ed-Tech organization.
- To understand the functional roles and responsibilities of Marketing, Sales, Human Resources, and Finance departments.
- To develop professional skills such as communication, teamwork, leadership, and analytical thinking.
- To gain insight into digital learning solutions and the structure of India's Ed-Tech industry.
- To experience a formal corporate selection process through online Group Discussion and Personal Interview rounds.

Description: The internship was undertaken at Airway Media, an innovative education technology platform specializing in digital learning solutions. The internship was conducted virtually (off-site), offering full-time participation with flexible work arrangements. The duration of the internship was flexible, allowing interns to manage their schedules according to their availability.

Selection Process:

The entire selection process for the internship was conducted online. It began with an online Group Discussion (GD), where students were evaluated on key skills such as:

- Communication
- Clarity of ideas
- Confidence
- Teamwork
- Problem-solving abilities

Placement & Career Guidance Cell

St. Bede's College, Shimla

Based on their performance in the GD, students were shortlisted for the next stage. Following the GD, an online Personal Interview (PI) was conducted for the shortlisted candidates. The PI assessed the following:

- Subject knowledge
- Interest in the chosen domain
- Attitude and professionalism
- Overall suitability for the internship role

Candidates who performed well in the PI round were selected for the internship at Airway Media.

Outcomes:-

- Developed hands-on experience in Marketing, Sales, Human Resources, and Finance functions.
- Improved communication, presentation, and interpersonal skills.
- Understood the importance of online GD and PI processes in corporate recruitment.
- Acquired basic knowledge of CRM tools, recruitment procedures, and financial analysis.
- Enhanced teamwork, time management, and professional work ethics.
- Received a paid stipend and an Internship Completion Certificate upon successful completion.

Placement & Career Guidance Cell

St. Bede's College, Shimla

Event Name: Destiny & Drive Festival 2025

Date: December 13, 2025

Venue: Auditorium

Objectives:

- Provide students with a platform to explore various career opportunities.
- Facilitate interactions between students and reputed organizations for networking and career guidance.
- Offer placement and internship interview opportunities to students to kick-start their professional journey.
- Bridge the gap between academic learning and industry requirements by connecting students with potential employers.
- Enable students to gain insights into real-world industry trends and career paths.

Description:

The Destiny & Drive Festival 2025 was organized by the Placement and Career Guidance Cell in collaboration with Technoledge, held on December 13, 2025, at the college. The event provided a dynamic platform for career guidance, industry interaction, and recruitment opportunities.

Participating companies, represented by experienced delegates, conducted recruitment through both offline and online interviews, ensuring flexibility and accessibility. Prior registration and slot booking helped streamline the event. Students from diverse academic backgrounds actively participated, showcasing professionalism and preparedness.

Recruiters assessed candidates on skills such as subject knowledge, communication, problem-solving, and overall suitability. In addition to recruitment, company representatives shared insights on industry trends, skill requirements, workplace ethics, and career growth, helping students align academic learning with professional expectations.

The event highlighted the institution's commitment to career-oriented education and student development.

Outcomes:-

- Direct exposure to industry-level recruitment and interview processes allowed students to experience real-world hiring procedures.
- Multiple students participated in placement and internship interviews across various domains, gaining valuable experience.
- Enhanced communication, interview, and professional skills were developed through active participation in interviews and interactions.
- Guidance on industry expectations and career growth opportunities helped students align their aspirations with professional standards.

Placement & Career Guidance Cell

St. Bede's College, Shimla

- Stronger collaboration between St. Bede's College and participating organizations fostered ongoing partnerships and opportunities.
- Improved career awareness and employability contributed to students' readiness for the job market.

Event Name: Civil Services Power Workshop

Date: December 15, 2025

Venue: B16

Objectives:

- To offer students valuable insights into the opportunities available through UPSC and HPAS exams and the potential career paths in civil services.
- To inform students about effective preparation techniques, study resources, and time management skills essential for success in UPSC and HPAS exams.
- To outline a clear and systematic approach for preparing for UPSC and HPAS exams, enabling students to better plan their studies.
- To educate students on the various stages of the civil services selection process and the requirements for success in both UPSC and HPAS exams.
- To ignite an interest in public administration and inspire students to serve the nation through positions in civil services.

Description:

The Civil Services Power Workshop, held at St. Bede's College, Shimla, was a significant career counselling session organized by the Placement and Career Guidance Cell of the college in collaboration with MAAN's Chandigarh IAS Academy.

It aimed to enlighten students about the career opportunities available through the UPSC and HPAS examinations, as well as the essential steps needed to begin the journey toward these esteemed positions.

A distinguished panel of resource persons, including Dr. R.S. Mann and Mr. Anoop Garg, shared their experiences and provided practical advice on cracking these challenging exams. The workshop also covered the structured pathways for preparation, time management, study strategies, and the significance of perseverance in achieving success.

Outcomes:-

- Students gained a deeper understanding of the different civil services exams, including UPSC and HPAS, and the various opportunities they open up.
- The session provided practical insights into the preparation process, including key resources, time management techniques, and the importance of consistency in studies.

- The resource persons, with their wealth of knowledge and experience, motivated the students to seriously consider civil services as a viable and rewarding career path.
- A clear and structured roadmap for preparing for UPSC and HPAS exams was shared, helping students understand the long-term commitment and dedication required for success.

The event sparked interest among students, encouraging many to begin their journey toward UPSC and HPAS exams.

Overall, the workshop was an enriching experience that equipped students with the necessary tools and motivation to take the first step toward their civil services careers.
