NATIONAL SCIENCE DAY

To Celebrate National Science Day, The Department of Physics in collaboration with IAPT enthusiastically organised a series of engaging and educational activities. On February 24, 2026, the program commenced with the Screening of a Documentary on Sir C. V. Raman, highlighting his life journey, struggles, and the ground breaking discovery of the Raman Effect. Following the screening, a quiz competition based on the documentary was conducted. The session was interactive, intellectually stimulating, and witnessed enthusiastic involvement from the participants. Dr. Sapna Sharma, Head of the Department of Physics, delivered an inspiring talk on the theme “Unsung Heroes of Science.” She shed light on lesser-known women scientists whose remarkable contributions have significantly shaped scientific progress.

An Exhibition of working models prepared by students of the Physics Department was another highlight of the celebration. The models demonstrated various scientific principles and reflected the students’ creativity, teamwork, and practical understanding of theoretical concepts. The Principal of the college, Dr. (Sr.) Rosily T.L, addressed the gathering and encouraged students to cultivate a scientific mind set.

On February 28, 2026, a Webinar was organized with the objective to celebrate India’s scientific achievements and to deliberate upon the role of women in shaping the scientific landscape of the country. The session began with National Science Day greetings, followed by a warm welcome address by Dr. Sapna Sharma. Dr. Y. C. Kamala, an experienced physics educator, and Prof. P. K. Ahluwalia, National President of the Indian Association of Physics Teachers were the eminent resource person. The session was presided over by Prof. Kuldeep Sharma. The session was highly informative and well-received by the audience. Both the programs successfully celebrated the spirit of National Science Day while reinforcing the importance of women’s empowerment in science as a cornerstone for achieving the vision of *Viksit Bharat*.

शिमला। सेंट बीइस कॉलेज में राष्ट्रीय विज्ञान दिवस मनाया गया। आयोजन का विषय विज्ञान में महिलाओं की भूमिका और विकसित भारत के निर्माण में उनका योगदान रहा। कार्यक्रम की शुरुआत महान वैज्ञानिक सीवी रमन के जीवन और रमन प्रभाव पर आधारित वृत्तचित्र से हुई। इसके बाद प्रश्नोत्तरी प्रतियोगिता में छात्राओं ने सक्रिय भागीदारी निभाई। भौतिकी विभाग की छात्राओं की कार्यशील मॉडलों की प्रदर्शनी कार्यक्रम का प्रमुख आकर्षण रही। विषय के अनुरूप पोस्टर निर्माण और नारा लेखन प्रतियोगिताएं भी हुईं। भौतिकी विभागाध्यक्ष डॉ. सपना शर्मा ने विज्ञान के अनसुने नायकों, विशेषकर महिला वैज्ञानिकों के योगदान पर प्रकाश डाला। प्राचार्य सिस्टर रोजिली ने वैज्ञानिक दृष्टिकोण और तार्किक सोच को अपनाने का आह्वान किया। संवाद

**NATIONAL SCIENCE WEEK CELEBRATION (WOMEN IN SCIENCE: CATALYSING
VIKSIT BHARAT)
FEBRUARY 24, 2026**

The Department of Mathematics of St. Bede's College successfully organized an exciting and intellectually stimulating Maths Treasure Hunt titled "Brainstorm Bounty" on February 24, 2026. Participants were divided into three groups, each provided with a set of common clues that required mathematical insight, critical thinking, and collaborative problem-solving to decode. The clues were carefully crafted to blend mathematical concepts with creativity, prompting students to apply classroom knowledge in an engaging, real-world context. "Brainstorm Bounty" proved to be a dynamic learning experience, reinforcing that mathematics can be both enjoyable and intellectually rewarding when approached through interactive and innovative methods.

**MEDICINAL PLANT EXHIBITION
FEBRUARY 25, 2026**

An exhibition on medicinal plants was successfully organized by the Department of Botany in collaboration with Herbal Garden Cell on February 25, 2026 to celebrate National Science Day. The exhibition displayed a wide variety of medicinal plants commonly used in herbal medicine and traditional systems such as Ayurveda. Students collected different plant specimens, prepared informative charts, and arranged live plant samples to demonstrate their medicinal properties. Some of the important plants exhibited included *Ocimum sanctum* (Tulsi), *Azadirachta indica* (Neem), *Aloe barbadensis* (Aloevera), *Withania somnifera* (Ashwagandha), and *Curcuma longa* (Turmeric). Each plant was accompanied by labels describing its scientific name, family, medicinal uses, and significance. The students enthusiastically explained the therapeutic benefits of these plants, such as their use in treating common ailments like cold, fever, skin diseases, digestive disorders, and boosting immunity.

CAREER COUNSELLING SESSION BY CHITKARA UNIVERSITY ON INNOVATIVE THINKING FOR CAREER PLANNING

FEBRUARY 25, 2026

On the occasion of National Science Day celebration on February 25, 2026, a presentation titled “Assam Biorefinery: From Bamboo to Biofuel – Empowering a Sustainable Future” was delivered by Astha Nresht, a student from B.Sc. (Hons.) Department of Biotechnology IIIrd Year. The presentation highlighted the concept of biorefineries and focused on the Assam Bio-Refinery project, which utilizes bamboo as a renewable biomass to produce second-generation ethanol. The speaker explained the major steps involved in the conversion of bamboo into biofuel, including pre-treatment, enzymatic hydrolysis, fermentation, and purification.. The presentation encouraged students to explore innovative biotechnological solutions that promote sustainability and responsible use of natural resources.

WOMEN IN SCIENCE: CATALYSING VIKSIT BHARAT **FEBRUARY 27, 2026**

The Department of Chemistry, St. Bede's College celebrated National Science Week on February 27, 2026 with the theme "*Women in Science: Catalysing Viksit Bharat.*" The event aimed to promote scientific awareness and recognize the role of women in advancing science and technology. As part of

the celebration, a hands-on training session titled “From Learning to Creating” was organized on the preparation of Beauty and Wellness Products. The session provided students with practical exposure to the formulation and preparation of commonly used cosmetic and wellness products. During the activity, students learned about the selection of ingredients, formulation techniques, and essential safety measures involved in product preparation. Under proper guidance, participants actively engaged in preparing the products themselves, gaining valuable experiential learning. The session fostered creativity and helped students understand the real-life application of chemistry.

INTERCOLLEGE HACKATHON COMPETITION: TECH FEST

FEBRUARY 28, 2026

An Intercollege Hackathon was successfully organized by the Hackathon and Ideation Cell of St. Bede's College on February 28, 2026 to celebrate National Science Day. The event aimed to promote innovation, scientific thinking, and technological creativity among students from various colleges. The hackathon reflected the spirit of scientific curiosity and encouraged students to apply technology to solve real-world problems. A total of 12 teams from different colleges participated in the event. Students presented innovative solutions including software applications, IoT devices, robotics models, and smart environmental systems. The event provided a collaborative platform where young innovators could brainstorm ideas, develop prototypes, and present their solutions before an expert judging panel. The projects, and prototypes were carefully evaluated by the judges Dr. Nikhil Sharma and Dr. Tarun Sharma on the basis of innovation, feasibility, functionality, and presentation quality. The hackathon provided an opportunity for participants to learn from one another by exchanging ideas, discussing technologies, and exploring different approaches to solving problems.

राष्ट्रीय विज्ञान दिवस पर सेंट बेड्स कॉलेज में अंतर-कॉलेज हैकाथॉन का आयोजन

सवेरा ब्यूरो

शिमला, 28 फरवरी : सेंट बेड्स कॉलेज के हैकाथॉन और आइडिएशन सेल ने सिस्टर रोजिली टीएल के सक्षम मार्गदर्शन में 28 फरवरी, 2026 को एक अंतर-कॉलेज हैकाथॉन का सफलतापूर्वक आयोजन किया। इस कार्यक्रम का आयोजन हैकाथॉन सेल की संयोजक सुश्री निवेदिता भारद्वाज और सह-संयोजक श्री निशांत द्वारा किया गया था। इस हैकाथॉन ने विभिन्न कॉलेजों के युवा इनोवेटर्स को एक साथ लाया, जिससे उन्हें अपनी तकनीकी विशेषज्ञता और रचनात्मक समस्या-समाधान क्षमताओं का प्रदर्शन करने के लिए एक जीवंत मंच मिला।

यह आयोजन राष्ट्रीय विज्ञान दिवस के साथ मेल खाता था, जिसे प्रख्यात भौतिक विज्ञानी सी.बी. रमन द्वारा 'रमन प्रभाव' की खोज की स्मृति में हर साल 28 फरवरी को मनाया जाता है। इस दिन के महत्व ने प्रतियोगिता में एक गहरा अर्थ जोड़ा, क्योंकि वैज्ञानिक आविष्कारों ने गुंजायमान रहे।

सीओई संजौली, जेपी यूनिवर्सिटी ऑफ इंफॉर्मेशन टेक्नोलॉजी, गवर्नमेंट

कॉलेज, कोटशेरा और सेंट बेड्स कॉलेज की कुल 12 टीमों ने अंतर-कॉलेज हैकाथॉन में भाग लिया। छात्रों ने सॉफ्टवेयर एप्लिकेशन, हार्डवेयर प्रोटोटाइप और कव्वाड-आधारित उपकरणों के रूप में अभिनव समाधानों को डिजाइन और विकसित करने के लिए उत्साहपूर्वक काम किया। शोर-ट्रिप, जेनो-द स्मार्ट एग्रीकल्चर रोबोट, स्मार्ट ट्रिज्म और कल्चरल डिस्कवरी प्लेटफॉर्म, स्मार्ट डस्टबिन, एआई-आधारित खड़्डेड्डो डिटेक्शन रोवर, फार्मर टू कंज्यूमर डायरेक्ट मार्केटप्लेस, ए चाओस बेस्ड क्रिप्टोग्राफिक, एडिप्टिव ट्रिस्ट ट्रैफिक एंड पार्किंग मैनेजमेंट सिस्टम, एआई पावर्ड डिजास्टर रिस्क इंटेलिजेंस सिस्टम, एयर प्यूरिफिकेशन, मल्टी हैजर्ड डिजास्टर मैनेजमेंट सिस्टम जैसे

प्रोजेक्ट्स प्रस्तुत किए गए। कार्यक्रम की शुरुआत एक परिचयात्मक सत्र के साथ हुई, जहाँ प्रतिभागियों को प्रतियोगिता के दिशानिर्देशों और मूल्यांकन मानदंडों के बारे में जानकारी दी गई। पूरे दिन, परिसर में गहन विचार-मंथन सत्र, कोडिंग गतिविधियाँ, हार्डवेयर असेंबली, और कव्वाड डिवाइस कॉन्फिगरेशन देखे गए क्योंकि टीमों ने अपने विचारों को कार्यात्मक मॉडल में बदल दिया।

प्रतियोगिताओं का मूल्यांकन एक सम्मानित पैनल द्वारा किया गया जिसमें डॉ. निखिल शर्मा, सूचना अधिकारी (वैज्ञानिक), जैव प्रौद्योगिकी विभाग, और डॉ. तरुण शर्मा, सहायक प्रोफेसर (इलेक्ट्रॉनिक्स) और संचार इंजीनियरिंग), यूनिवर्सिटी इंस्टीट्यूट ऑफ टेक्नोलॉजी, और उप निदेशक,

सेंटर फॉर एआई ऑन साइबर फिजिकल सिस्टम्स, हिमाचल प्रदेश विश्वविद्यालय शामिल थे। उनकी शैक्षणिक विशेषज्ञता और तकनीकी अंतर्दृष्टि ने सभी प्रतियोगिताओं का व्यापक और निष्पक्ष मूल्यांकन सुनिश्चित किया।

प्रथम पुरस्कार : परवीन मेहता (सीओई संजौली)

द्वितीय पुरस्कार : प्रिक्खित शर्मा (सीओई संजौली)

तृतीय पुरस्कार : वक्षिता शर्मा, तमन्ना शर्मा (सेंट बेड्स कॉलेज शिमला)

समर्पण और उत्साही भागीदारी की मान्यता में सभी प्रतिभागियों को प्रमाण पत्र और भागीदारी ट्रॉफियाँ वितरित की गईं। विजेताओं को उनके उत्कृष्ट प्रदर्शन के लिए सम्मानित किया गया।

अंतर-कॉलेज हैकाथॉन सफलतापूर्वक संपन्न हुआ, जिसने छात्रों के बीच नवाचार, व्यावहारिक शिक्षा और तकनीकी प्रगति को बढ़ावा देने के लिए सेंट बेड्स कॉलेज के हैकाथॉन और आइडिएशन सेल की प्रतिबद्धता को मजबूत किया।

GRAD'S NITE
MARCH 3, 2026

St. Bede's College bid a grand farewell to its graduating batch with a vibrant and memorable graduation party held on March 03, 2026, in the college auditorium. The campus was transformed into a stunning display of cultural pride. The event was patronized by the Principal, Sister Rosily, whose constant encouragement and blessings added prestige to the celebration and the programme was further graced by the esteemed Chief Guest Dr. Purnima Chauhan. The cultural segment was a powerhouse of talent, featuring high-energy dance performances and captivating musical sets that kept the audience enthralled. The centrepiece of the evening was a thematic ramp walk, where participants confidently showcased their style and individuality in alignment with the theme. The most anticipated moment of the event was the announcement of the pageant winners, judged on the basis of their walk, personality, confidence, and performance in the question-answer round by Dr. Kavita Kumra and Ms. Sheena Kataria.

INTERNATIONAL WOMEN'S DAY

March 07, 2026

The Women Cell and Gender Champion Club, in collaboration with the NSS Unit and the Department of Botany of St. Bede's College, Shimla, organized a meaningful programme to celebrate International Women's Day on 7 March 2026 on theme "Give to Gain". The programme commenced with a semi-classical dance performance presented by students, followed by a PowerPoint presentation that explained the historical significance of International Women's Day and highlighted the progress made by women across various fields such as science, education, leadership, and social service. Students also actively participated in a poetry recitation session and the most engaging segment of the programme was a role play based on the life and achievements of Kamala Sohonie, the first Indian woman to receive a Ph.D. in science. The programme also featured an insightful guest lecture by Dr. Swaran Lata, Scientist at the Himalayan Forest Research Institute, Panthaghati.

About the College
St. Bede's College is a premier educational institution committed to providing a holistic education for young women. With a focus on academic excellence, social development, and spiritual growth, the college empowers students to become successful and responsible individuals. St. Bede's College is dedicated to inspire students to achieve their full potential, fostering critical thinking, and promoting lifelong learning. The college also emphasizes the importance of social responsibility, teamwork, and ethical behaviour. St. Bede's College prioritizes academic excellence and strives to provide a rigorous and supportive learning environment for its students.

About the Faculty Development Programme
The Faculty Development Programme (FDP) on Service Rules for Grant-in-Aid Colleges will be organized with the objective of enhancing the understanding of faculty members and administrative staff regarding the regulatory and administrative framework governing grant-in-aid institutions. The programme will aim to familiarize participants with essential service rules, statutory provisions, and administrative procedures that are crucial for the effective functioning of higher educational institutions.

The sessions will cover important topics such as Conduct and Leave rules, Annual Confidential Reports (ACR) and Academic Performance Indicators (API), the Employees' Provident Fund Scheme, 1952, the Employees' Pension Scheme, 1995, and the Employees' Deposit Linked Insurance Scheme, 1976. In addition, participants will be introduced to practical aspects of institutional administration, including procurement procedures through the Government e-Marketplace, as well as file and record management in official functioning. Through expert lectures, discussions, and interactive sessions, the programme will provide participants with valuable insights into service regulations, compliance requirements, and administrative best practices, thereby strengthening their professional competence and contributing to improved governance and transparency in grant-in-aid colleges.

The moderator of the session was Ms. Punam Chauhan and the rapporteurs were Dr. Devina and Ms. Jagriti.

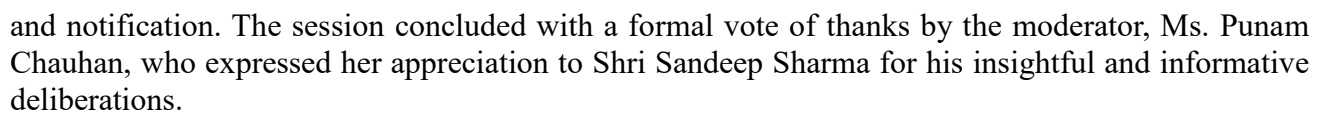

Following the inaugural ceremony, Dr. Gitanjali Mahendra delivered the welcome address and presented a comprehensive overview of the programme. She outlined the key thematic areas aimed at enhancing administrative efficiency and institutional effectiveness in higher education including Administrative Operations, Regulatory Frameworks, Service and Welfare Provisions and Social Security Schemes.

Session 2: Drafting, Endorsement, and Record Management

The second session of the programme focused on “Drafting, Endorsement, and Record Management in Official Work” and was delivered by Shri Sandeep Sharma, Deputy Controller, MSHIP. The session highlighted the critical importance of accurate documentation and effective communication in ensuring efficiency and accountability in government offices. The resource person elaborated on the various forms of official communication commonly used in administrative functioning, including email, letter, office memorandum, DO letter, unofficial communication, memorandum, office order,

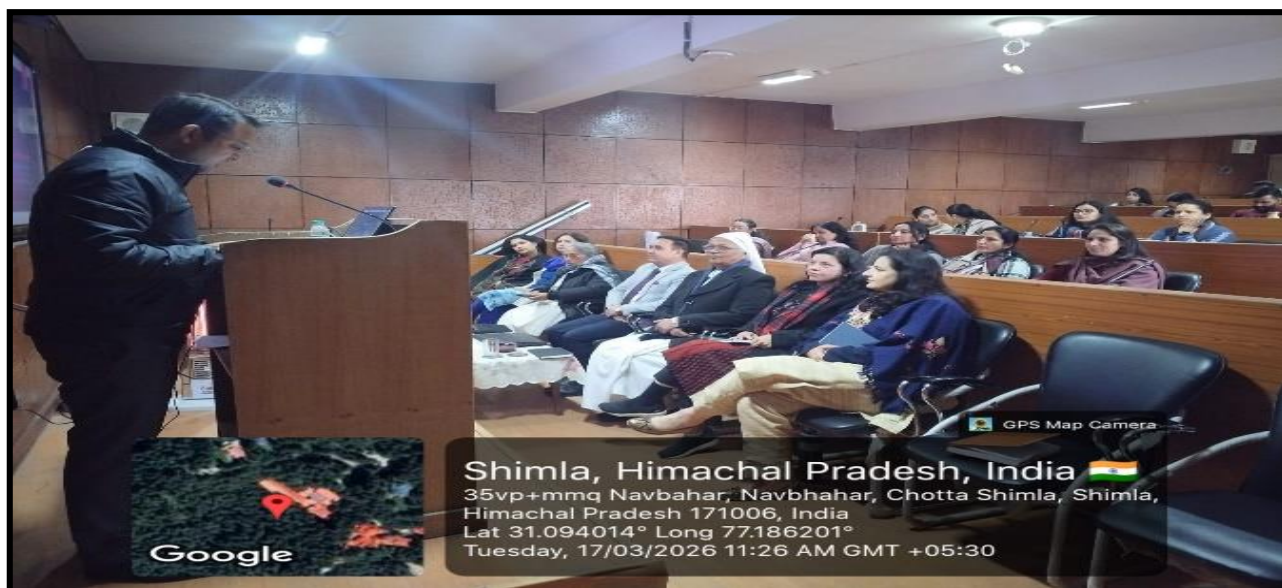

Day 2: March 17, 2026

Session 1: APAR and API – Performance Appraisal Systems

The session commenced with a formal introduction of the esteemed resource person, Sh. Gopal Krishan, who is currently serving as the Under Secretary in the Department of Social Justice and Empowerment H.P Sectt. Shimla. The introduction was delivered by the session moderator, Mr. Mohit Kumar, while the proceedings were documented by the rapporteurs, Dr. Navdeep Thakur and Ms. Charvi. The presentation focused on two key evaluation systems widely used in academic and governmental frameworks, namely the Annual Performance Appraisal Report (APAR) and Academic Performance Indicators (API) ensuring accountability, monitoring conduct, and fostering professional growth. The session concluded with an engaging question-and-answer segment, during which Shri Gopal Krishan actively addressed queries raised by faculty members, providing further clarification and practical insights.

Session 2: Right to Information Act (RTI), 2005

The second session of the programme was devoted to the Right to Information (RTI) Act, 2005, and was delivered by Shri Krishan, who provided a comprehensive understanding of its legal framework, significance in a democratic system, and the procedural aspects involved in exercising the right to information. He explained the historical, and legal background of the act along with its core objectives of promoting transparency, accountability, citizen empowerment, and strengthening democratic governance through active public participation. He further elaborated on the rights and procedures for filing an RTI application, supported by a detailed presentation. The session witnessed active participation, with attendees engaging in discussions and seeking clarifications, which contributed to a deeper understanding of institutional processes.

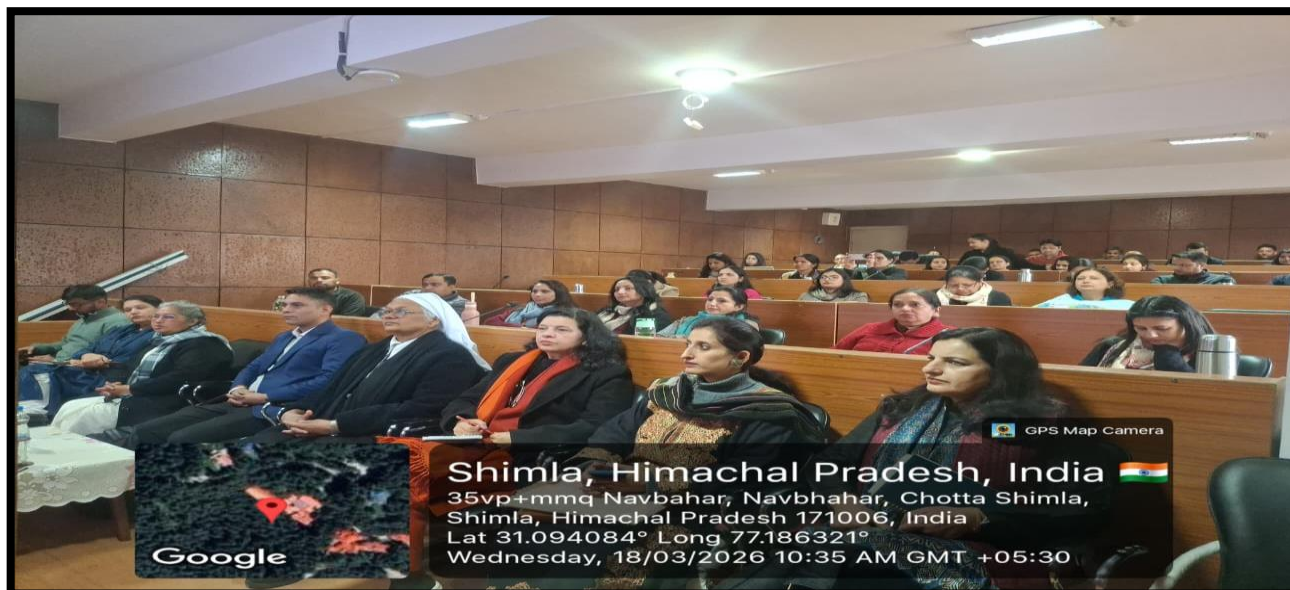

Day 3: March 18, 2026

Session 1: Procurement Procedures under GeM

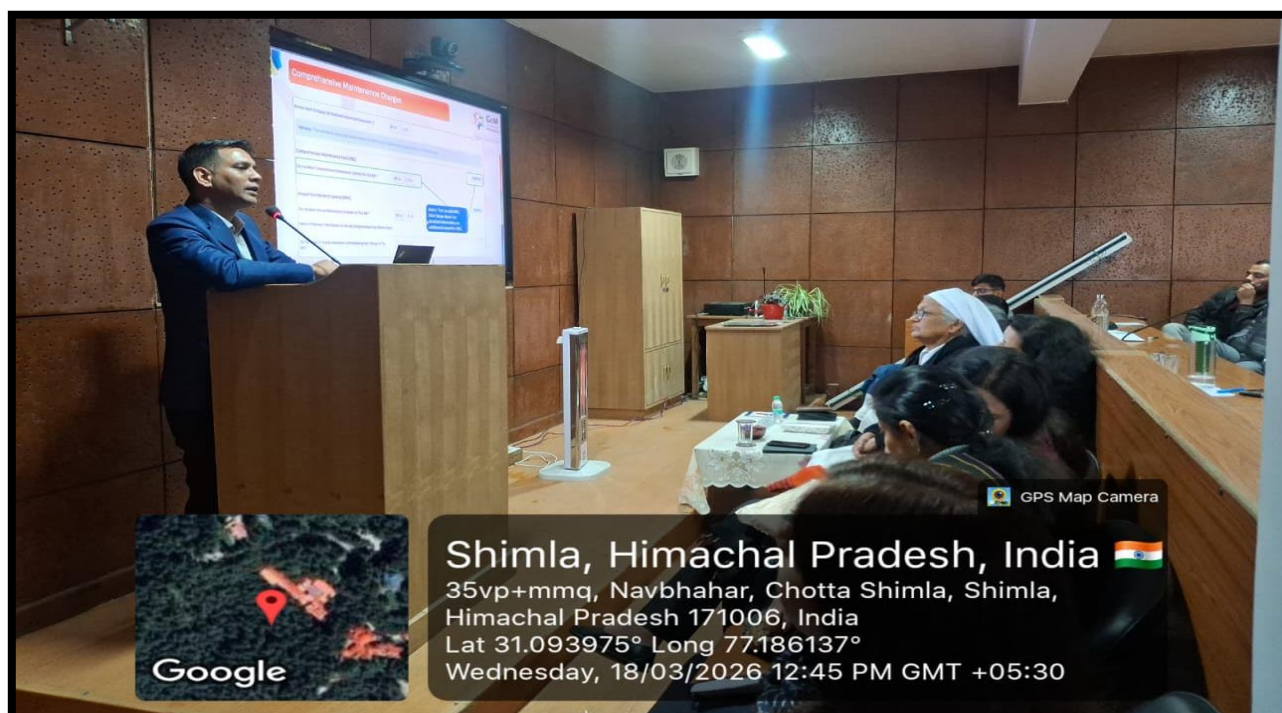

The session began with Dr. Shruti Gupta presenting a concise recap of the previous day's deliberations, thereby ensuring continuity and contextual clarity for the participants. It was followed by the formal felicitation of the resource person, Shri Ravi Verma, Consultant, GeM trainer for GeM (H.P) by the Principal, Sr. Rosily T.L. The moderator of the session was Dr. Shruti Gupta and rapporteur of the session were Ms. Asmita and Dr. Anita Chauhan. In his opening remarks, the speaker introduced the Government e-Marketplace (GeM) as a unified digital platform established by the Government of India to facilitate transparent, efficient, and inclusive procurement of goods and services by public sector organizations. He explained the procurement process and guide in detail ensuing accountability, fairness, and optimal utilization of public funds, while encouraging participation from diverse stakeholders, including startups and small enterprises. The session provided participants with a comprehensive understanding of GeM as a robust, transparent, and technology-driven procurement system.

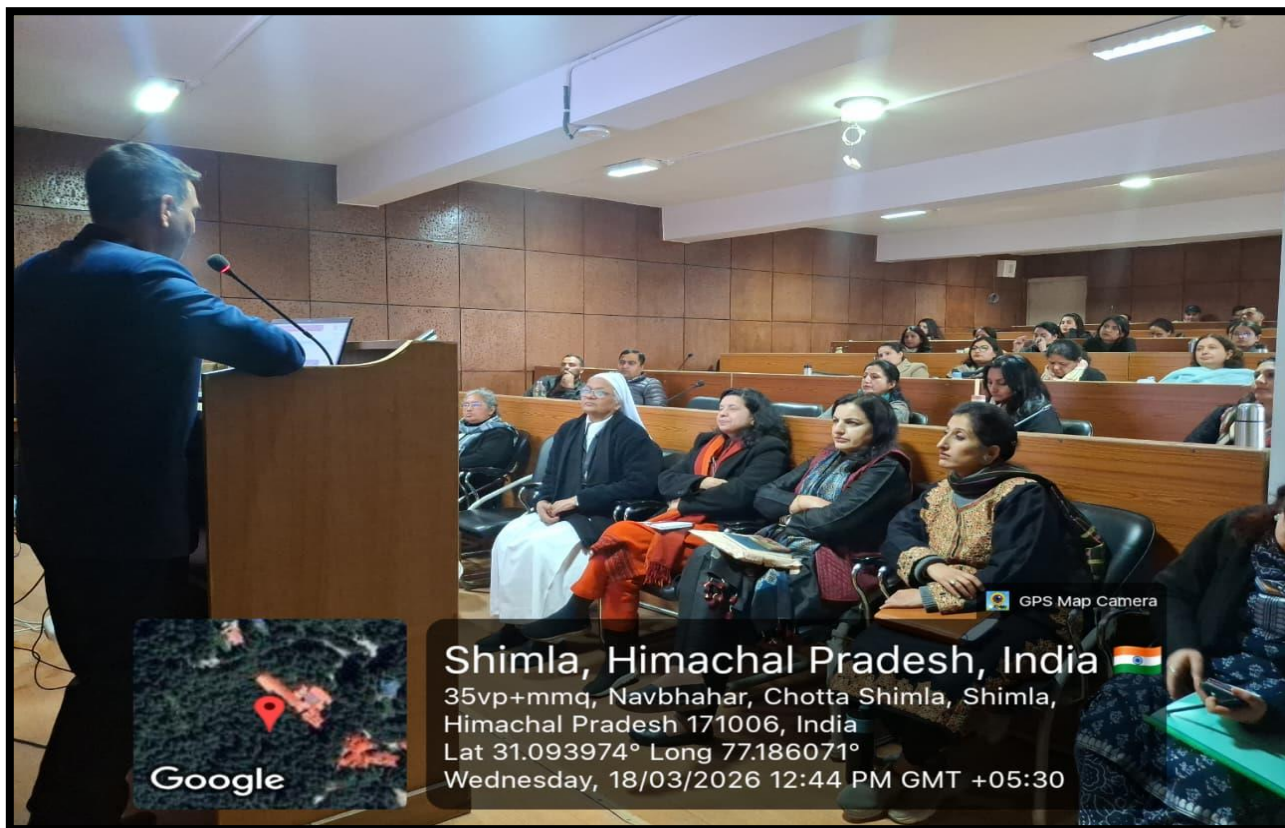

Session 2: GeM Operations and Implementation

The second session focused on the practical implementation of procurement processes on the Government e-Marketplace (GeM) by Mr. Ravi Verma. The speaker emphasized the importance of product specifications, bidding and transaction process and also elaborated on post-delivery documentation processes. The session concluded with an overview of ongoing updates and evolving regulatory provisions within the GeM platform, reflecting its dynamic and adaptive nature. This was followed by an engaging interactive discussion and question-answer session, enabling participants to clarify their doubts and strengthen their practical understanding. The session formally concluded with a vote of thanks delivered by Dr. Shruti Gupta.

Day 4: March 19, 2026

Session 1: Pay Rules and Pay Fixation

The fourth day of the Faculty Development Program comprised of two sessions. The first session was about “Overview on Pay and Leave Rules”. The resource person for these sessions was Dr Amar Dutt Bhardwaj, Controller Finance-cum-Finance Officer, Himachal Pradesh University, Shimla. The session was moderated by Dr. Savita Rana and Dr Ashwani and Ms. Pratishtha served as the rapporteurs for the sessions.

In the first session, Dr. Bhardwaj shared his views on “Overview on Pay and Leave Rules” while elaborating on pay fixation, pay levels, and grade pay rules in accordance with UGC and Himachal Pradesh State Government norms. The resource person provided detailed insights on pay scales, including the structure of academic levels, entry pay, annual increments, and the transition from the previous grade pay system to the revised pay matrix under the 7th Pay Commission.

Session 2: Leave Rules, Service Conditions, and Conduct Rules

In second session, Dr. Amar Dutt Bhardwaj provided a comprehensive overview of the general rules governing leave, outlining the conditions under which government servants may avail leave. The session also addressed the combination of different types of leave, clearly stating that casual leave cannot be combined with any other form of leave, and that it may be sanctioned up to a maximum of eight days at a stretch. Dr Amar Dutt Bhardwaj elaborated on leave on medical certificate for both gazetted and non-gazetted employees, as well as provisions for employees who may be unfit to resume duty. The session also covered rules pertaining to absence beyond sanctioned leave, emphasizing that unauthorized absence without extension results in loss of leave salary for that period and is treated as

dies non for all purposes, including increments, leave, and pension. The session further covered important Fundamental Rules governing service conditions.

Day 5: March 20, 2026

Session 1: Employees' Provident Fund (EPF), 1952

The session commenced with a brief recap of the previous day's proceedings by Ms. Neha Walia, setting the context for the discussions ahead. This was followed by a formal introduction and felicitation of the resource person by the Principal, Sr. Rosily T.L. The moderator of the session was

Ms. Neha Walia and rapporteur of the session were Dr. Vishal Chauhan and Dr. Kusum. Mr. Prashant Kumar Assistant P.F. Commissioner (APFC) at the EPFO Regional Office in Shimla served as the resource person. Mr. Sharon Dular initiated the session with an overview of the Employees' Provident Fund Organisation (EPFO), outlining its various schemes, including the Employees' Deposit Linked Insurance (EDLI) Scheme, 1976. He also discussed important forms, procedures related to death claims, and the necessary documentation and conditions required for claim settlement. Subsequently, Mr. Prashant Kumar elaborated on these aspects with practical insights, demonstrating the procedures involved in filling EPF and EPS forms for both employers and employees. He highlighted the importance of the Universal Account Number (UAN) and EPFO along with detailed understanding of the terms and conditions governing EPF and EPS. During the interactive segment, Mr. Prashant Kumar addressed various queries from participants and the session concluded with expressions of gratitude from the Principal and faculty towards Mr. Prashant Kumar and his team for their insightful and engaging presentation.

NATURE WALK AND LITERARY EXPLORATION

APRIL 2, 2026

The students of M.Sc. IV Semester, Department of Botany, undertook an educational excursion aimed at enhancing both environmental awareness and intellectual engagement.

The programme commenced with a nature walk along the Forest Road in Shimla. The activity provided students with an opportunity to observe the natural flora and forest ecosystem in situ. As part of their academic training, the students actively engaged in identifying plant species and understanding ecological relationships, thereby gaining practical exposure beyond the classroom.

Subsequently, the students visited a Book Exhibition organized at Gaiety Theatre. The exhibition featured a diverse collection of books encompassing academic literature, reference materials, and general reading. The visit facilitated intellectual enrichment and encouraged students to cultivate reading habits and explore interdisciplinary knowledge.

Overall, the excursion proved to be both informative and enriching, effectively integrating experiential learning with academic and literary exposure.

INTRODUCTION TO CMS

- A Content Management System (CMS) is a software that allows users to create, manage, and modify website content without specialized coding knowledge.
- Its graphic user interface (GUI) makes interacting with a website's database user friendly.
- Websites use HTML and CSS to create and design its pages.
- Key examples include WordPress, Drupal, and Joomla, which are used to build websites, blogs, and portfolios.
- With a CMS like WordPress, you can just write your content in an interface that looks a good bit like a Microsoft Word.

SPORTS DAY (FRIENDSHIP AND CAMARADERIE)

APRIL 13, 2026

The Sports Day (Friendship and Camaraderie) was held on 13th April 2026, promoting physical fitness, teamwork, and interaction between MA English and MSc Botany students. The event featured activities like kho-kho, badminton, lemon spoon race, and treasure hunt, encouraging both physical and mental engagement. It successfully boosted student participation, confidence, teamwork, and sportsmanship while providing stress relief and strengthening interdepartmental bonding.

THREE DAYS INTERNATIONAL WORKSHOP ON RESEARCH METHODOLOGY **(ONLINE)**

APRIL 16, 18 & 20, 2026

The Three Days International Workshop on Research Methodology (Online) was conducted on April 16, 18, and 20, 2026, by the Department of Physical Education & NSO under IQAC in collaboration with international organizations. The workshop aimed to enhance participants' understanding of research methodology, statistical tools like SPSS, research ethics, plagiarism, and the role of AI in research.

Eminent resource persons from India and abroad delivered expert lectures on key themes including SPSS applications, parametric and non-parametric statistics, research ethics, report writing, and the responsible use of AI. The sessions were well moderated and attended by around 200 participants, reflecting strong engagement and global interest.

Each day focused on a specific theme, beginning with statistical analysis techniques, followed by research ethics and academic writing, and concluding with plagiarism and AI in research. The sessions were interactive, with active participation, discussions, and question-answer rounds that enriched the learning experience.

The workshop concluded with appreciation from chief guests and the college principal, who acknowledged the systematic organization and relevance of the sessions. Participants provided positive feedback, highlighting the quality of content and expert guidance.

Overall, the workshop provided practical insights into research processes, data analysis, ethical practices, and academic writing across disciplines. It helped participants develop clarity in research methodology and strengthened their analytical and critical thinking skills.

The event successfully enhanced research awareness, improved technical competencies, and motivated participants to undertake quality research while fostering academic collaboration at national and international levels.

ONLINE WORKSHOP ON UNDERSTANDING DIGITAL SAFETY & THE DPDP ACT FOR FACULTY: CYBERSECURITY AWARENESS INITIATIVE

APRIL 29, 2026

The Department of Computer Science, in collaboration with the Cybersecurity Association of India, organized an online workshop on “*Understanding Digital Safety & the DPDP Act for Faculty: Cybersecurity Awareness Initiative*” under the aegis of IQAC on April 29, 2026, from 10:30 AM onwards.

The primary aim of the workshop was to sensitize faculty members about the growing importance of digital safety and to familiarize them with the provisions of the Digital Personal Data Protection (DPDP) Act. With increasing dependence on digital platforms in academic environments, ensuring data privacy and cybersecurity has become essential for educators. The resource person for the workshop was Nirmesh Kumar, a DSCI-certified Data Protection Officer with over 22 years of experience in Information Technology. Currently serving as Director at CMAI, he possesses extensive expertise in cloud computing and cybersecurity. The workshop served as a valuable platform for enhancing awareness about digital safety and the DPDP Act, equipping faculty members with essential knowledge to navigate the digital landscape securely and responsibly.

SIGNING OF MOU BETWEEN ST. BEDE'S COLLEGE AND SHOOLINI UNIVERSITY

APRIL 30, 2026

St. Bede's College, Shimla, signed a Memorandum of Understanding (MoU) with Shoolini University to foster academic collaboration and strengthen institutional partnerships. The MoU aims to promote academic excellence through joint research, student internship programmes, workshops, seminars, faculty interactions, and skill development initiatives. The collaboration will provide valuable opportunities for students and faculty to engage in research, knowledge exchange, and professional development. This partnership reflects the shared commitment of both institutions to enhancing the quality of higher education and creating a dynamic learning environment. The signing of the MoU marks a significant step toward strengthening academic ties and expanding learning opportunities for the academic community of both institutions.

ONE WEEK FACULTY DEVELOPMENT PROGRAMME ON “INTEGRATION OF ARTIFICIAL INTELLIGENCE IN TEACHING AND OUTCOME BASED EDUCATION (OBE) STRATEGIES” MAY 12 - MAY 18, 2026

The Department of Computer Science under the aegis of Internal Quality Assurance Cell (IQAC), in collaboration with Technoledge™, organized a One Week Faculty Development Programme on “Integration of Artificial Intelligence in Teaching and Outcome Based Education (OBE) Strategies” at St. Bede's College from May 12 to May 18, 2026.

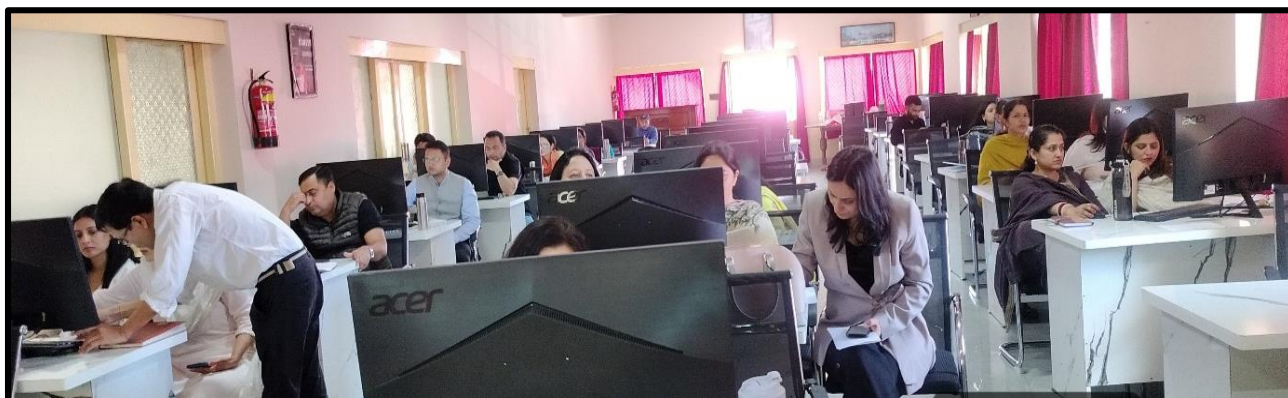

The programme was conducted under the guidance and initiative of Principal Prof. (Sr.) Rosily T.L. and coordinated by faculty members Ms. Neha Walia and Ms. Nivedita Bhardwaj Sharma.

The resource person for the FDP was Dr. Ravi Prakash Verma, Professor and Head of the Department of Artificial Intelligence and Data Science at IIMT College of Engineering. Through expert lectures and practical demonstrations, he highlighted the growing significance of Artificial Intelligence and Generative AI in transforming modern teaching-learning practices.

Faculty members from Government Degree College Kandaghat, Government Degree College Dharni and St. Bede's College actively participated in the programme. The sessions focused on AI-enabled teaching methodologies, curriculum design, CO-PO mapping, innovative assessment techniques, and personalized learning strategies aligned with the objectives of National Education Policy 2020 and Industry 4.0 standards.

The FDP aimed at equipping educators with the knowledge and skills required to integrate Artificial Intelligence tools and Outcome Based Education strategies into classroom practices, thereby promoting innovative, technology-driven, and learner-centric education.

FAREWELL PARTY FOR MS. NEETA KHANNA

MAY 11, 2026

A farewell party in honour of Ms. Neeta Khanna was organised on 11th May, 2026 to celebrate her remarkable service of over 50 years to the college. It had been unanimously agreed by the staff that Ms. Khanna deserved a memorable farewell in recognition of her unwavering dedication and invaluable contribution to the institution. As decided in the staff meeting, the farewell was held at Oakwood Hamlet Resort, Shoghi during college hours. The staff departed from the college at 10:30 a.m. in a bus specially arranged for the occasion and reached the picturesque venue at around 12:00 noon. The programme began with a welcome drink, followed by the formal presentation of a bouquet to Ms. Neeta Khanna. The Staff Secretary, Dr. Deepti Pajni delivered the welcome address, after which heartfelt speeches were delivered by the Principal, Sr. Rosily the Manager, Sr Grace, Dr. Sapna, Dr. Anupama, Dr. Gitanjali, and several other faculty members. The speakers fondly recalled Ms. Khanna's long association with the college and appreciated her dedication, sincerity, and invaluable service.

Ms. Neeta Khanna then shared her experiences and memories of her long and fulfilling journey at the college, expressing her gratitude to the management and her colleagues. Sumptuous snacks were served during the programme, adding to the warmth and celebratory spirit of the occasion. A delicious lunch followed, after which the staff participated in a variety of fun games and informal interactions. The day concluded on a joyous note, leaving everyone with cherished memories of a fitting tribute to a much-loved colleague whose legacy will continue to inspire generations of teachers.
