# St. Bede's College, Shimla

## PROGRAMME OUTCOMES

## BACHELOR OF COMMERCE (B.Com.)

**[PO-1] CRITICAL THINKING:** The graduates of this programme will be trained to develop skills and attitudes needed for critical thinking and adopting a comprehensive problem-solving approach. They shall be exposed to pedagogy that helps them understand real life situations through case-studies. It aims at building the basic ability to think critically, evaluate dispassionately and solve complex problems creatively. The content is organised in such a way that the students would be able to think from diverse perspectives and suggest solutions according to their own sensibilities.

**[PO-2] EFFECTIVE CITIZENSHIP:** Students will develop and practice gender-sensitive attitudes, environmental awareness, empathetic social awareness about various kinds of marginalisation, and the ability to understand and resist various kinds of discriminations.

**[PO-3] COMMUNICATION SKILLS:** The teaching learning pedagogies used in the programme make students capable enough to deliver and communicate information effectively with a mark.

**[PO-4] DISCIPLINARY KNOWLEDGE:** The curriculum planning of B.Com course envisages students demonstrating inclusive knowledge of areas related to finance, human resource management, marketing, corporate and business laws, accounting and taxation etc. The students will be made capable of using modern ways and means of dealing with issues arising in the dynamic business world and will also help them tackle resistances.

**[PO-5] LIFELONG LEARNING:** This course broadens the horizons of students by making them understand the intricacies of the business world and overall economics of the country as well as the world. This learning makes them inquisitive to raise concerns and act accordingly. The curriculum is designed in such a way that the students are driven to develop an attitude of life-long learning.

**[PO-6] MORAL AND ETHICAL AWARENESS:** The courses also involve training students to check unethical behaviour, falsification and manipulation of information to avoid debacles, which can be seen rising persistently over time. It would also help in making responsible citizens and facilitate character building.
